“This is where the cowboy rides away”

It is with heavy hearts that we announce the passing of Lonny Neal Casey, a man whose vibrant spirit and unwavering love touched the lives of so many. Lonny passed away peacefully surrounded by the people he loved most, on June 4, 2024, at the age of 65.

Lonny was a devoted husband to his beloved wife, Eileen, and a cherished father to his children, and a fun-loving papa to his grandchildren. He took immense pride in his family's accomplishments and fiercely protected them with a love that knew no bounds. His legacy of love, laughter, and persistence will forever live on in the hearts of those who knew him. As we bid farewell to Lonny, we celebrate the wonderful memories he created and the indelible mark he left on our lives.

We as a family are beyond grateful that he pushed so hard to give us more time with him. We know that it was not easy for him, but he did it because he loved us so much.

As we say "see you later" let us honor Lonny by carrying forward his legacy of kindness, by embracing each day with hope, and by cherishing the bonds that unite us. Until we meet again, papa your memory will forever be a guiding light in our lives.

Lonny is survived by his loving wife of 40 years Eileen, his children Amanda (Kenny), Samantha (Luis), Adreanna (RJ), Lonny (Jessica), Megan (Jacob), Chase (Diana), Juan, Manuel, 12 grandchildren, and many friends that became his family.

Proceeded in death by many beloved family members.

We want to give a very heartfelt thank you to the ICU staff at Timpanogos Regional Hospital for the amazing, and loving care that they gave not only Lonny, but our family as well. We also are so very grateful to the strangers that stopped to render aid before the first responders could arrive. To the first responders and police officers thank you as well for helping our family we will forever be grateful.

Lonny wouldn't want a formal affair so please wear bright colors, Hawaiian shirts, or University of Utah shirts, and come as you are.

A viewing and memorial service to honor Lonny's life will be held on Friday June 7, 2024, from 6:00pm-8:00pm at Premier Funeral Services located at 67 East 8000 South, Midvale, UT 84047. Your spirit will continue to inspire and uplift us all.

A few years ago my daughter purchased a home as a next door neighbor to Lonny and his family. The home needed a complete overhaul from inside to outside and top to bottom. Lonny didn't hesitate to introduce himself and to assist me in many ways. He would lend tools, he watched the house very carefully to keep the work and the tools safe during the weeks nobody lived in it. Lonny is a kind and wonderful man. I'm going to miss Lonny and some of the conversations we would have. I admire how much he loved his family. He showed his love in so many different ways to his family that will forever stay with me. Those that know Lonny well will understand this next comment well. During the condition the home my daughter purchased the city decided to show up and do a surprise inspection. I had no idea what all the commotion was as I was working in the attic. All I could hear was a man ripping into someone telling him this neighborhood was none of his business and that he should just leave letting people do what they needed to do to fix their homes. The inspector must have agreed in some at because he quickly got back in his truck and left. Once I approached Lonny asking him who that was and why happened I thought to myself that Lonny is a protective soul and really did look after people's interest. Unbeknownst to Lonny I quickly made my way to the city offices to make sure they knew I had my paperwork in order and to stop by anytime they wanted but to first give me a heads up so we could sneak in without Lonny knowing. I really like Lonny and will miss him! Please know that I know we will see each other again! Lonny isn't gone forever only beyond the veil where we cannot see or hear. Lonny is happy and involved with all his family and friends that have also past through this veil. I believe this and I can't wait to see him again someday. Stephen
