Kenneth Allen Berger

AUG 1, 1963 - JUN 23, 2024

Kenneth Allen Berger, loving husband, father of three, and cherished member of the Sharon Park, Orem community, passed away on 06/23/2024 in the Timpanogos Regional Hospital. He was born to James Clyde Hundertmark and Karen Farmer Berger on August 1, 1963, in Miami, Florida.

Throughout his life, Ken was known for his passion to joyfully serve others. His dedication to his family was evident in every aspect of his life, as he and wife Maurie lovingly raised their son Charles and daughters Jessica and Emily.

Professionally, he excelled in Stone Drafting. His favorite contributions included the State of Utah Capitol building dome, the Mesa Arizona, Sacramento California, Layton Utah, Mount Timpanogos Utah, St. George Utah, Ephraim Utah, Syracuse Utah, and other Temples for The Church of Jesus Christ of Latter-Day Saints.

In his spare time, he enjoyed visiting National Parks with his Nikon, exhibiting his enthusiasm for photography. He loved capturing the beauty of the red rocks in Moab, the greenery of the Unitas, and the dark mysteries of the night sky. His curiosity to explore will live on through his photos.

Growing up in Texas, he discovered a talent for mechanics and lock smithing while working in his family's Burglar Bar Shop. He was captivated by flying and earned his pilot's license early in his twenties. And loved going to the Blue Angels shows.

He will be deeply missed by family, friends, and all who knew him. His legacy and pure heart will continue to inspire and guide those whose lives he touched. He is survived by his loving wife Maurie, Son Charles (Karl), Daughter Jessica (Cirilo), Daughter Emily, Granddaughter Aubree, and Grandson Trevor.

Memories and stories are welcome.

Ken's kindness and selflessness shine through in this touching story. Despite the difficult circumstances, he willingly undertook a six-hour drive to support me and Susan during a time of grief. His friendship and willingness to serve are truly commendable. May his memory continue to inspire and bring comfort to those who knew him.

Way back when High Priest Group Leadership and home teaching were things, Ken helped put in a door in our hallway to make our bedroom, bathroom and den be one suite, he shortly there after asked me to be part of the High Priest Group leadership; during that time he went to assist with some work in the Bahamas he had, I had the opportunity to be in ward councils and Bishop's councils while he was gone. Ken was a great leader, mentor and friend. We care deeply for his families well being and pray for them and hope for their comfort.
