I'm just so sad to hear of his loss. He was a wonderful friend/brother to me and my husband. I know he rests with our Heavenly Father and looking out for all his family. He loved his children and family immensely. I'm a better person for having met this wonderful man. I will forever miss his loud boisterous voice calling my name reminding me to say my prayers. He will be forever missed in this life but I am consoled by knowing we will meet again in the eternity's. I love you Tony.
