Steven Casey Lopez

JAN 3, 1964 - JUN 28, 2024

Steven Casey Lopez, at the age 60, passed away on the morning of June 28th, 2024. Born on January 3, 1964, in Salt Lake City, UT, he was the third child of five born to Filadelfio and Dolores Lopez.

Steve is preceded in death by his father Filadelfio, his older brother Ed, his youngest daughter Trinity, and his beloved pet dog Pugs. He is survived by his mother Dolores; his loving wife Melissa; his oldest daughter Stephanie (Jeremy) Whipple; and grandchildren Jayden Gordon and Cameron Whipple. He is also survived by his bonus children Tiffany (Josh) Wright, Chantz (Dallas) Silver, Sierra Silver, and grandchildren Traevon (deceased), Kalena, Easton, Skylar, and Stella. Additionally, he leaves behind his oldest sister Pam, his youngest brother Dale (Tina), his youngest sister Deborah, and many nieces and nephews.

Steve was a devoted father to his two daughters, creating cherished memories through their many trips “camping” at the Property in Fruitland, Utah. They enjoyed floating down the creek, catching lizards, playing “21”, boating, and embarking on what seemed like endless rides on dirt bikes and ATVs. His daughters loved him unconditionally, and he worked tirelessly to ensure they were always provided for.

Steve and Melissa were married on January 6, 2017, and in their 7 1/2 years of marriage, they built a lifetime of memories. Melissa will always love and cherish the memories her and Steve created. They constructed a new home at the Property, with plans to retire and create even more memories. They enjoyed each other’s company while traveling to destinations like Playa del Carmen, Ouray, Colorado, Costa Rica, Kanab, Utah, San Antonio, Texas, Nashville, Tennessee and Tampa, Florida.

Steve was known for his loving, caring, hardworking, outgoing, energetic, and genuine nature. He spent the past 20 years working at Hexcel Corporation and previously worked at Dura Crete- alongside his brother Dale for many years. Steve’s infectious humor and willingness to lend a hand made him a friend to all he met.

His favorite place from childhood to adulthood was the Property in Fruitland, Utah. There, he would play around with his siblings, his kids, nieces, nephews, and his grandkids, engaging in activities like fishing, riding dirt bikes, ATVs, and exploring trails with his wife and friends in their side by side. Steve was a big kid at heart, always aiming to create a good time, often seen in his memorable outfit of no shirt, jean shorts, and socks with flip flops, until Melissa came along and updated his style of fashion.

Steve was an amazing person and will be tremendously missed by all who knew him. ~ Always in our hearts ~

A Celebration of Life will be held for family and friends on Friday August 2, 2024 at 4:00 pm - 9:00 pm at The Constitution Park in West Jordan, Ut.

All I can say is thank you Steve for being apart of our family's lives from going on vacations to remembering important dates such as mothers and fathers days to birthdays you were always the first one to wish us the best. For Duane you were like a second dad to him always helping him fix things around the house or on our vehicles he really looked up and admired you. Our kids loved to be around you and thought of you as family and really enjoyed the time spent with you. Steve was such an amazing man. From the beginning we shared lots of laughs as he always made everyone laugh and happy. We spent every chance we could up at the property (his favorite place to be) and made some great friends. Steve would chat with anyone we would come across on our adventures. We enjoyed traveling and had planned to do much more during retirement. Steve was always working on something to make things better for us. Steve loved his daughters and grandkids so much. He was a big kid at heart. I'm not sure how to carry on without him, but I will for him. I think of you Steve everyday and you are forever in my heart. Rest in Peace Hunny! Love your sweetie! ❤️ ❤️ ❤️

My father taught me the value of hard work, integrity, and accountability. He was a hardworking man, working on all sorts of projects and always lending a hand. His generosity knew no bounds, and his willingness to help others was a testament to his character. Despite his hard work, he never lost the joy and wonder of a big kid at heart. He was always aiming to make everyone laugh, and his playful spirit brought laughter and light to our lives. My father was a hardworking man, always lending a hand to those in need. Whether it was camping, or simply exploring nature, he found joy in the beauty of the world around him. His enthusiasm for adventure was infectious, inspiring us all to appreciate and embrace the wonders of nature. As a grandfather, he was always ready to play, tell a joke, or share a story. His presence in their lives was a source of joy creating countless cherished memories. Rest in peace, Dad. You will be deeply missed, but your legacy of hard work, dedication and adventure will live on in me, especially in the hearts of your grandchildren.
