# Adam Roger Kinne

MAY 4, 1973 - JUL 12, 2024

## **R**EGULATORS MOUNT UP!

Adam Roger Kinne was born May 4th, 1973, to Sharon LaVonne Claxton Kinne and John Roger Kinne in Ogden Utah, and lost his battle with hopelessness Friday, July 12th in West Haven. Adam was preceded in death by his dad John Roger and brother John Lance.

Adam was a lover of the outdoors and exploring new places anytime he could. Adam married and later divorced however, from this union came his two most treasured friends, his sons, Justice (John Wayne) and Cyrus Blue Kinne. The three of them had so many great hunting adventures together and he loved them so much.

Adam is survived by his sons; Justice (Madelyn) and Cyrus Blue, his Mommy Sharon, brother Travis Macen (Cat Rose) sisters; Savannah (Bryan), and Moriah (Justin), along with his many nieces, nephews, aunts, uncles, and cousins.

Adam moved to Alaska after graduating from Roy High School in 1991 and spent several years enjoying the Alaskan wilderness. Adam not only loved the great outdoors, but he also loved his friends and considered them family. He would do anything for them, whether you needed crackers for dinner or needed towing, he was always there for you.

The family will be holding a “Celebration of Life” Open House to share memories and stories about Adam. August 3rd at the Kinne residence, 5057 W. 3450 S. West Haven, Utah 84401 beginning at 6 pm. Light food will be served.

In lieu of flowers, please make a donation in honor of the Kinne Family to Valley Camp in Liberty, Utah. (<https://www.valleycamputah.com/>)

Even in moments when he had nothing, he always had something to give. Adam was one of the most incredible people I've ever had the pleasure of knowing and calling a brother. His laugh was electric, he was an asshole, but he was the nicest, most compassionate, and caring asshole you could have ever asked for. His demons won, but he fought them valiantly and with honor. The world lost a great, great man and I wish things could be different. I love you, brotha, remember that.
