Sonia Dayle Harris Baczuk

MAR 13, 1938 - AUG 23, 2024

Sonia Dayle Harris Baczuk, 86, of Layton, Utah passed away on August 23, 2024, at her residence at Fairfield Village.

Born on March 13, 1938, in Ogden, Utah to Clarabelle and Everett Harris, she was the youngest of 10 children. Sonia (“Soni”) grew up in a loving home and was particularly close to her brother Boyce (Harris), her sister, Sharon (Best), and cousin Barbara Lutz. She enjoyed ballet, going on train rides with her family, and trips to Farr’s Ice Cream. Sonia learned how to cook and bake by watching her mother and became very skilled.

At Weber College, she met Alan Baczuk and they were married on Dec. 18, 1959. Sonia also attended BYU and enjoyed cheering for the Cougars throughout her life. She was also a loyal Seattle Mariners fan.

Living in various locations with her family in Idaho, Washington, Montana, and Utah- Sonia enjoyed many enriching friendships and associations and was active and faithful in the Church of Jesus Christ of Latter-day Saints. She was known for her ability to reach out to others and for her Christ-like service. Sonia was particularly accomplished at sharing her love of baking and cooking with her neighbors. Her apple pie, cookies, and homemade bread and rolls were legendary. She also loved the color red and liked to sew, quilt, garden, crochet, and play games with family and friends.

Sonia and Alan had five children, 18 grandchildren, and 24 great-grandchildren. Her faith and family meant everything to her and she relished opportunities to be together. She also enjoyed serving missions with her eternal companion, Alan, to Singapore and Oklahoma.

She is survived by her son, Eric Baczuk (Kathy Baczuk); her son, Kyle Baczuk (Cynthia Baczuk); her daughter, Stacy Ferguson (Ed Ferguson); her son, Aaron Baczuk (Mindi Baczuk); and her son, Gregg Baczuk (Karisa Baczuk). She was preceded in death by her parents and siblings, and her husband Alan. They are now joyfully and eternally reunited.

I remember many visits on the red couch! Aunt Soni was always warm and gracious to me. She was the best cook and dinner with her was always delicious. She did not mind spontaneous visits and would sit and visit. Years ago I had a new friend whose family was moving from Northern Arizona to Montana. I knew they would be isolated there from their new church. I called Aunt Soni and found she was the stake Relief Society president in the area. She took this sweet family under her wing and they flourished. I love her kindness, dedication, and warm heart.— Andi Crimm

Dear Baczuk family, I was so sorry to hear about the loss of your mom. My heart and prayers go out to your family at this sad time. Your mom was a loving and delightful person, and she will be sorely missed. Your parents were good friends to my parents, and they enjoyed spending time and playing games together. It's hard to see their generation leave us. I hope that you will feel the Lord's comforting presence and strength during this time of loss. With deepest sympathy, Your cousin Leilani

Sonia was my father's youngest sister. I am Mike Harris, the 2nd born of Jim and Delores (both now deceased.) I have many memories of Sonia and I never saw her in a bad mood. She was a sweet woman and will be dearly missed. Love, Michael Jacob Harris.

As a child, I remember how exciting it was when Aunt Soni and Uncle Alan came for a visit from the Northwest!! They were young and attractive, so much fun and so kind. We didn't get to see them as often as we would have liked, but we loved the times they and their kids visited. We were happy that we've gotten to see them a little more often in recent years ;o) Aunt Soni was one of those aunts who would sit down with you, smile, look you in the eyes and start up an easy going conversation because she genuinely wanted to get to know you!! She always instantly made me feel at ease and I loved her dearly even as a child, but even more so through the years as I got to know her even better. She leaves such a beautiful legacy in her children and grandchildren. She always seemed to focus on the things that mattered most...her love for her Heavenly Father and Jesus Christ, caring for and loving her family, and serving others. I remember thinking this past year when we visited her that despite her age, she was still so young at heart...still having fun, still looking beautiful and still making people feel comfortable and special. She will always hold a special place in my heart!! Praying for peace and comfort for your family, and as has been said, I'm so happy for her reunion with her loved ones. I'll bet my Dad and Mom were so excited to give her a big hug!! ☺ Thinking of you all, we love your family very much ❤️❤️❤️ Love, your cousin Mindy Pitcher

I am so happy for Aunt Soni to be back with her sweetheart and all the big Harris clan. She was looking forward to that! I enjoyed several interesting conversations with her over the last years about family events, and stories that I really enjoyed. And I found several fun pictures of Soni and the rest of the family after my parents died that I have posted to FamilySearch. The last Harris sibling to go! She will be missed. 🌈 Happy memories to you all! Linda Harris Pugmire
