**Christie Kellehe R** lit a candle in honor of Cari.

Cari was the best friend a friend could have. I will miss her smile her laugh her. I'm going to miss our texts and our messages across multiple platforms that were unrelated to each other. Our random pictures of laundry or a bag of lettuce bc we had so many back and forth "little things" that made of think of each other.

My days feel so empty and I wish I could have done more. Tayler and Ryleigh I will always be there for you xoxoxo love to you all. I'm just so sorry
