Helen Ann Miller Mount

APR 14, 1939 - NOV 12, 2024

Helen Ann (Miller) Mount passed away peacefully November 12, 2024 at Lotus Park Care Center.

Ann was born to Fred Extsrom and Helen Ann (Arnold) Miller on April 14, 1939. She was raised in Ogden Utah and attended St. Josephs Grade School and Graduated from Ogden High School in 1957.

She married Raymond (Ray) L. Mount on Oct 6, 1961.

They welcomed four children into their family, Jeff, Sean, Kelly and Tracy.

Mom spent the early years working for Bob's Diner and enjoyed her time there. She would always have stories to tell us and some of the fun and practical jokes they would have with all of the regular patrons.

When the kids started coming along, she spent her time being a great mother and housewife raising and caring for all of us. She spent many days and weekends taking us all to hockey practices and games all around the area and was greatly involved with the Golden Spike Hockey Program where she met many lifelong friends. She was a Den mother for cub scouts and leader with the girl scouts.

When the kids got older, she worked at the Dee Litho Print shop where she spent time working with her mother. She also spent many years working for the IRS as a Tax Examiner where she later retired.

One of her great joys was working in her yard and garden.

Mom dedicated herself to caring for Kelly after a life-altering car accident he sustained in 1987.

Mom is survived by her sister, Frances (Fran) Laurene and Rex Call. Her children Jeff (Suzanne) Mount, Sean (Kim) Mount, Kelly (Latrica) Mount and Tracy Dale.

Ann has 13 Grandchildren, 29 Great Grandchildren and 1 Great-Great Grandchild.

Special thanks to the Lotus Park Care Center and all the staff for filling mom's day with happiness, and to all who made her last year's possible. Special thanks to David

Ann Mount: Certainly one of the great ones. She was our neighbor across the street for many years. She was a real character, who we all loved. I spent many a day over there. She would always feed me. I ate many a dinner with her and Ray and the kids. She always showed love and compassion for her children. and many times that love and compassion was shared with the neighborhood kids. When my father was in his later years and living alone, Ann would always go check on him and take him vegetables from her garden. I am glad I got to know her and grow up around her family. Sorry to the Mount family for your loss. god bless.

I remember playing with Jeff, Sean, Kelly, and Tracy in the dirt yard by the side of the house. We were in hysterics throwing dirt clods at each other and bits of corn stalk? It probably was around 1975. Anyway Aunt Annie Didn't fuss at us for getting filthy. She took it all in stride and with lemonade for us thirsty kids. She was such a gentle soul to me
