Patricia Bewley-Goldman posted:

I was married to Don for 13 years and we had 5 beautiful children together. It hurts me that we were not mentioned even though we were still in contact with him. He will always be part of our lives. Pat.david, Michael , Scott, Gary, and Wendy

My Don.I will forever know you as Daa.You will live in my memories for my life time.I love you Daa, you held my Son and loved him more than your own life.You caught me in the basement sneaking to see your Daughter and then gave me a ride home.I met Don when I was 15 - August of 1987.He looked like a giant, 6 foot 4 and imposing .He made an impression on me that will stay forever.Don being more intelligent than 90 percent of the world was more kind and loving than you could ever know.He loved all of us.Don could play Basketball like a pro , he was contrite and absolute. A pro when needed.You will be missed Don. I love you very much.If only we have forever.Your Bob.
