Shannon Pierce

FEB 19, 1971 - NOV 30, 2024

Shannon Caroline Pierce, 53, of Evanston, Wyoming, passed away on November 30th, 2024 surrounded by loved ones at the University of Utah Hospital.

Born on February 19th, 1971, in Salt Lake City, Utah to Ken and Debra Bronson. She attended Jordan High School where she met her first husband, Ty Pierce. The two shared one daughter, Shaely. After separating, she spent the rest of her life with her partner, Ted Andrews, who brought his son Zach into the family. She and Ted also shared a daughter, Alexis Andrews.

Shannon was known for her caring heart, love of pranks and her endless generosity. She found joy in crafting, painting and spending time with her two daughters, particularly watching horror movies with them. She dedicated her life to her work at Mountain Regional Services Inc. where she was both nominated for and elected as Employee of the Year numerous times. She cared deeply for both the patients she assisted, and the people she worked side by side with.

Shannon is survived by her life-partner, Ted Andrews; children, Shaely Pierce, Alexis Andrews and Zach (Amber) Andrews; her grandchildren, Cecelia and Lincoln; her brother, Troy Sheets; three nephews, a great-niece and many loving cousins. She is preceded in death by her parents, Ken and Debbie Bronson; and best friend, Tammy.

Shannon's warmth and hilarious sense of humor will be missed deeply by all of us who were lucky to have known and loved her.

Services will be held at 11:00 AM on December 14th, 2024 at the Elm Street LDS Church in Evanston.

I'll miss all of your pranks, mamma. From buying scary Halloween masks to jump out at us in, to calling us off of blocked numbers and talking in a creepy voice, to hiding freaky little noise machines in our rooms to try and convince us there was a ghost haunting us. You were so funny and made me laugh everyday.

Mama Shannon was my mom's best friend. I spent many years as a child with her and shaely and even into my teen years. I will never forget the memories created and the time spent with her. I will forever cherish those and hold onto them. I know Shannon and my mom are up there together happy they could be reunited. I love you mama Shannon and your girls and I will be there for them as I know the pain of losing a mother so young. Now, rest in peace and be free.

Connie Anderson Deuel When Shannon was around 3 or 4, the TV show Happy Days was on. She liked watching it, and she liked The Fonz. Shannon would mimic him all the time. She would stick both her thumbs up and say "Ah Ah Ah" or she would say "Sit on it" Everybody would laugh because she was funny. I miss her.
