Cheyenne Richard Lund

JUL 28, 1974 - JAN 8, 2025

Cheyenne Richard Lund (born on July 28, 1974) On January 8, 2025, our Daddy, Husband, Brother, Son, and Friend made it back home to be with his parents Richard and Connie (Lindsey) Lund, who we know received him with loving and open arms.

He leaves behind his two beautiful daughters DezaRae Lynn Lund and TazMari Sue Lund (they were his world), his wife Carrie Lund, his brothers Cody (Diane) Lund, Shon (Patsy) Lund, Alan (Danielle) Lund, his baby sister Trudy (Erik) Caldwell, and his sister-in-law Kelly Lund. He was preceded in death by his parent, his brother Aaron Lund, and a baby niece.

He also left behind many nieces and nephews. His nieces and nephews were his pride and joy. He was the fun uncle to them all.

His favorite things to do were to go fishing, four-wheeling, and camping with his family. If you didn't find him at the lake or playing in the sand, he was working hard at Weir Minerals Linatex where he dedicated almost 20 years to a great company. He made many great friends along the way.

He will be missed and loved by all.

A Celebration of Life will take place on Saturday January 25th, 2025, at the Church of Jesus Christ of Latter-Day Saints, located at 5176 West Parr Drive, West Jordan, Utah from 5-8pm.

We would like to ask you to write a story or a memory that you have of Cheyenne. We will share your memories and stories with his daughters for them to reflect on for years to come.

I will never forget the time we went to Sand Mountain and Cheyenne showed us the spider tree. He convinced me that I could go up the mountain to the top. I sure hope him and Kris are having a great reunion in heaven today. I will never forget that trip for as long as I live. It's one of my happy memories.

You are in my thoughts and prayers during this difficult time for our family. I have many happy memories with Cody, Shon and Cheyenne as children, as they were our first cousins and playmates.

Cheyenne was always like a second dad to me. Growing up he was just right across from our home, and I absolutely loved getting to walk over there with my dad to go see uncle Cheyenne and Sosa. He also gave me the opportunity to know what it is like to raise chickens and ducks! There was also this one time I hopped in the back of his pickup that had been sitting for a while and it had a hornets nest in it and of course I got the hornets mad but oh boy was it funny for Cheyenne and my dad to see me try and run away from them in the front yard. There was plenty of memories with him me and my dad but it was too good of a time then to down play it in a text. He will be missed by many as well as myself. I love you uncle Cheyenne and I thank you for all the good times. Rest in heavenly peace.
