This is my favorite picture of my Aunt Dawn Joy. I always knew her as Dawn Joy (not Dawn) and I love the name. It brings up thoughts of joyful mornings. I can still hear her laugh in my mind. My thoughts are with all my cousins during this time when you are dealing with the death of someone so pivotal in your life. Love, Andrea

This is my favorite picture of my Aunt Dawn Joy. We only called her Aunt Dawn Joy (not Dawn) - I loved that name and how it drew a picture of joyful mornings. I can still hear her laugh in my mind. To my cousins, I'm sorry you are now faced with the unpleasant things that come with the death of someone so pivotal in your life. My love to all of you! Andrea
