Joan B Hogge

FEB 18, 1936 - APR 21, 2025

Joan Bevan Hogge, 89, of Riverton, Utah, passed away on April 21, 2025, at Grove Creek Assisted Living Center.

Joan was born on February 18, 1936, in Pocatello, Idaho, to Roscoe and Annis Bevan. After graduating from Twin Falls High School, she moved to Provo, Utah, with her best friend and enrolled at BYU. While she attended classes, Joan especially enjoyed the vibrant social life BYU offered.

During one group date, where everyone exchanged phone numbers, Joan met a young man who would call her night after night for long conversations. She believed it was Rollie Hogge, one of the boys from the group. Yet when they crossed paths on campus, he wouldn't acknowledge her. After this happened a few times, Joan confronted him. Rollie admitted he loved talking to her on the phone but wasn't entirely sure she was the same girl he had been speaking with.

Despite the confusion, Joan and Rollie married in 1955 in the Idaho Falls Temple. Their 69-year marriage was rooted in love, respect, and faith. Shortly after their wedding, Rollie left to serve a full-time mission in England, with Joan joining him for the final months. Together, they raised three children in a home full of laughter, love, and devotion.

Joan had a vibrant professional life, working as a realtor, travel agent, and administrator in various industries, but her favorite role was being a mother.

A devoted member of The Church of Jesus Christ of Latter-day Saints, Joan served faithfully in many leadership roles, including several Relief Society presidencies. Her faith shaped her life, and her service touched many. She also stood by Rollie during his U.S. Army and Reserve service from 1964 to 1972, moving with him to Fort Benning, GA; Fort Devens, MA; and Two Rock Ranch Station, CA.

Joan loved playing cards, watching movies and TV shows, and spending time with her friends and family. She will be remembered for her kindness, generosity, and

I met Joan at GroveCreek Assisted Living where I learned many things from her , and we became very good friends, and spent a lot of time together just talking, ,and playing the card game of "Hand and foot" and Which now I have continued to play in her honor. She was a strong, caring kind loving individual, and loved her family with all of her ♥ heart. I miss you her so much, and love her too. Though my heart aches. I know how much she really missed her husband and wanted to be with him. She will always be an angel to me. I am grateful for the opportunity to have been a part of her life.

Joan was and is an absolute angel. I only got the pleasure of having her in my life as her activities director at Grove Creek for 4 months. She was an absolute light in my life. I see many people come and go being in my line of work and none have hit me quite as hard as Joan. She loved coming to all of my activities and I was blessed to have been able to be her eyes for some of the ones that needed a little more detail. Wendover with Joan was certainly a highlight of my time with her. While I didn't get much the with her, she made every moment feel like a lifetime of love, kindness, acceptance, grace, and beauty. I hope she knows I loved and still love her. Thank you to all of her family for sharing her with us!
