Stanley John Cutler

DEC 4, 1941 - APR 30, 2025

STANLEY JOHN CUTLER, 83, was born December 4, 1941, in Hailey, Idaho, to Stanley H and Rachel Cutler. Stanley was the second of eight children.

He lived in Emmett and Cambridge, Idaho for most of his childhood. After graduating from Cambridge High School, Stan attended Brigham Young University for two years and then served a mission in Berlin, Germany, for The Church of Jesus Christ of Latter-day Saints. In 1965, Stan returned to BYU to complete his accounting degree with minors in economics and German.

Stanley married his eternal companion, Maxine Crossley, in the Idaho Falls Temple on December 17, 1965. After college graduation, they moved to the San Francisco Bay Area and Stan began his accounting career. Stan and Maxine were blessed with four children, Diane, Kevin, Mike, and Terry.

Stan worked for several accounting firms, primarily on the west coast and retired as a CFO in 2004. Stan had many passions with one common element: water. Stan loved fishing, sailing, snorkeling, water skiing, swimming, and more. He supported his boys in competitive swimming and was a swim meet official.

Stan was a service missionary at the BYU Family History Center for more than 17 years. He shared his enthusiasm for genealogy with countless visitors as they searched for their ancestors. His fluency in German allowed him to help many.

Stan passed away peacefully in Lehi, Utah, on April 30, 2025. Stan was preceded in death by his parents Stanley and Rachel Cutler, his sisters, Phyllis and Barbara, and granddaughter Alexis Cutler.

Stan is survived by his wife Maxine; and his children Diane Mancini (Marcello), Kevin (Roxanne), Mike (Kahna), Terry (Shea); siblings Ted, Betty, Brenda, Nancy, Gary; 16 grandchildren and 6 great grandchildren.

I remember about Uncle Stan his booming laughter and pointed questions. I remember a fine fall day when he and Maxine had come to the ranch for a visit. Dad, (Clifford) and I (David) had just completed a successful duck hunt and were out at the burn barrel in the barnyard dressing the birds. Stan joined us and as he often did he offered a few questions. How do you cook it? Do you like it that way? Dad responded that we'd tried several different methods and went on to share that none totally eliminated the muddy river bottom taste. Stan followed with "well, if you don't like the taste then why do you hunt them?" We all had a laugh at that.

Even though my friendship with Stan was for only a few years, I often felt his love for me and for God each time I was with him. Stan was eager to declare his unwavering faith in the Divine at every chance given him, and relished recounting his missionary service in Germany during the Cold War. I am better man because of Stan and I hope to live up such a high standard of devoted service to God and Family.
