Clide Eugene Hiner Jr.

MAR 15, 1956 - MAY 10, 2025

Clide Eugene Hiner Jr., age 79, passed away on May 10th, 2025. He was born March 15th, 1946 in San Bernardino, California. Clide was the son of Clide Eugene Hiner Sr. and Elinor Marie Hiner. He attended Catholic school at St. Ann's in San Bernardino, California prior to moving to Utah. Dad was a construction worker where he operated heavy machinery. After many years of this, my dad went to work with Uncle John at Intermountain furniture.

Dad was very witty and had a great sense of humor. He loved to make people laugh and everyone loved his stories. People would say to me, "I just love your dad" and he was affectionately called "California Clide" by some of his close friends. Dad was loved by his dog, Jake, and his cat. He wanted to make sure they were taken care of and asked about them often.

Dad may have fallen away from the church over time but during his last three months he went back to his faith for comfort and peace. Dad did everything he could over the last couple of months to make things right with God. Dad was a fighter and he fought until the end. I was very blessed to spend the last three months with my dad. We were able to just talk and learn more about each other. We laughed, we cried, and sometimes we just sat there in each other's company. It didn't matter, we just took the time we had. I prayed like crazy for more time with dad but God had a different plan for him.

Dad will be missed by all who knew him. He had some of the most amazing friends and family in his life that were always there for him. Thank you for being there for him and his wife, Linda. May they both rest in peace.

Clide was the Best Man at my wedding in 1974 when I married his good friend Bill Thompson. Bill and Clide had been friends for years. Clide always had stories that made Bill and me laugh. We loved Clide. He was an important part of our lives. Bill and I moved around the country for 25 years. Wherever we were, Clide would track Bill down and talk to him on the phone for hours on end. Bill never saw Clide after we left SLC in 1981, but Clide always kept in touch with Bill until his death in 2020. Clide and I cried together when I told him Bill had died. I last saw Clide in 2022 when I went to UT for a high school reunion. We had lunch, drove around the SLC area, talked and talked, and just had a good time together. I last spoke to Clide this year after he was admitted to the rehab facility. I was very sorry to hear Clide tell me about his fall at home and his subsequent hospitalization. He told me what great support he received from his family: visits at the hospital, cleaning out his mobile home, caring for his pets, etc. I had been wondering about Clide for months and kept hoping he would call me. His phone number had changed and I did not know his new number. Now I know why I never heard from him again. Clide, I miss you terribly. I will never forget you or your stories that made Bill and me laugh hysterically. May you rest in peace.
