Leo Grant Buttars

MAY 22, 1943 - MAY 17, 2025

Leo Grant Buttars passed away on May 17, 2025, after a long illness. Family and friends are very grateful for the time they were able to spend with him.

Leo was born on May 22, 1943, in Preston Idaho to Lyman Buttars and Beth Peterson Buttars. In his youth, his family moved several times throughout northern Utah, finally settling near Ogden, Utah where he graduated from Bonneville High School.

Leo was a lifelong learner and took opportunities for formal education at Weber State and Brigham Young University. Leo served a mission for the Church of Jesus Christ of Latter-Day Saints in Toronto, Canada. He was a faithful member of the church with a deep understanding and love of the scriptures. His favorite calling was always Sunday school teacher.

In 1967 Leo was drafted into service with the U.S. military. He trained and served as a warrant officer helicopter pilot, being honorably discharged in 1969. During this time Leo met Margaret Carson. They were married on October 28, 1968, in the Salt Lake temple.

Over the following years they welcomed five children to their growing family: Bryan Shaffer, David Clayton, Scott Preston, Christy Lynn, and Brent Spencer. The family eventually settled in Orem, Utah. Leo took a position as a part time sweeper at BYU while attending college there. From there he worked his way up to Administrator of Custodial Services, a position he held for over ten years until his retirement.

He had a great impact mentoring many students throughout this time. Leo always viewed life as an adventure - a challenging but fun experience. He loved to share his interests with those around him. He was a talented storyteller and teacher. He loved to express himself through art, painting, and intricate lifelike wire sculptures of trees.

He left a lasting legacy of faith, learning and creativity. Leo is preceded in death by his parents, Lyman Buttars and Beth Peterson and his stepmother, Patricia Buttars. He is the first of his

Merrill Carson posted:

Glenda and I send our condolences to you, Margaret, and your family at Leo's passing. We remember fondly the making of the movie about George and Ann Hough Carson. Leo did such a dedicated job of writing, producing and filming the movie. To this day, our children will have conversations about our family's participation in the movie and our association with you and Leo. May all of Heaven's best blessings be yours during this time of grieving. Love always, Merrill and Glenda Carson.
