**Janel Dudis** lit a candle in honor of Shantell.

On may 11,2025 I had made arrangements to go and visit with my sweet Niece Shantell and I was really happy . Getting to spend that time together with her was so special to me because we talked and both giggled a little bit. I had brought her a gift and I just needed my time with my Sweetheart my Angel . And when I got ready to leave we both gave the best and longest hug ever and I could feel her holding on so tight and then I told her that I loved her and hoped to spend time with her again. Shanny Auntie Janel loves you to infinity and beyond.
