Lora Alice Noble

MAY 22, 1962 - JUL 9, 2025

Lora Alice Noble, 63, passed away on July 9, 2025, at her home in Holladay, Utah.

She was born on May 22, 1962, in Salt Lake City, Utah, to Donald Richard Noble and Judy Kay Stewart. Lora is survived by her siblings Jennifer, Gina (Rod), and Kelly (Amber); her children Heather (Brady), Dylan, and Destry; and three grandchildren.

She was preceded in death by her parents, brother Scott, and daughter Brittany.

Lora AKA “Wild Child” had a deep love for music and conversation. She could talk to anyone about anything for hours on end, jokingly calling herself a motor mouth. She loved animals, spending her days with her beloved dog, Carly.

Lora’s journey was not without its challenges. Despite her own struggles, many will remember her for the kindness and generosity she showed to others in need. We take comfort in knowing Lora has finally reunited with her “Buggie”, Brittany.

A private remembrance will be held by immediate family. In lieu of flowers, the family encourages donations be made in Lora’s memory to The Road Home or any organization that focuses on housing services and addiction recovery.

Fare you well, fare you well

I love you more than words can tell

Listen to the river sing sweet songs

To rock my soul

Lora Noble was and will always be one of those daughters of God who exemplified the second great commandment. The first is to love the Lord thy God with all thy heart, might, mind, and strength. I know that she did love God because the second is like unto it, Love thy neighbor as thyself. I love you, Lora, and I always will. Great shall be your reward in the kingdom of God for many times you were there at my lowest. With no judgment, just a place to recharge, shower, and eat and rest. Because of that, I get to bless the lives of others today. May your legacy last for eternity because it shall live forever with me. James DeLuna

If one person, wrote that about me when I travel to the next, I would surely be a success in life...

I love you Lora & miss you my beautiful friend. She has been my sister from another mother & my best friend for life. With a lifetime of memories I will share just 1. We were in our early 20's. I'm visiting Lora. She had an apartment in the avenues. Just her & Brittany. It was a beautiful summer day, Lora was so happy to be a mom to her little blond firecracker (Brittany is born on July 4th). I'm thinking Brittany was 4-5 years old. The sun is shining & a warm breeze accompanies us as we walk around with Brittany singing "I'm bringing home a baby bumblebee, won't my mommy be so proud of me". With her beautiful laugh & hair blowing on the breeze, hearing her daughter singing songs.

That's how I remember Lora 🦋🌸🦋❤️🥹🦋 PS: she liked emojis 🦋🦋🦋
