# Brandon Gregory Lewis

AUG 14, 1997 - SEP 19, 2025

**B**randon Lewis, 28, passed away on Friday, September 19, 2025. He was born on August 14, 1997, to Bill Grant Lewis and Sherri Edgington in Ogden, Utah.

Brandon tried to live his life to the fullest. Brandon enjoyed spending time with all of his brothers. Rex and Ryan helped shape Brandon into the wonderful young man he became. Some of his favorite times as a young boy were trips to Island Park with his Uncle Randy and cousin Emily. As he got older, the trips included extended family members and created new memories. He loved bow hunting with his dad, brothers, and other family members. He loved being outdoors—racing around on his 3-wheeler, 4-wheeler, and dirt bike. Brandon was also adventurous on his motorcycle. His first long-distance trip was shared with his brother Ryan and his father to the Grand Tetons. He enjoyed backpacking, camping, and the annual family camping trip to Hardware Ranch.

Brandon was a talented and dedicated athlete. He played football from the age of 7 to 17 and wrestled for one year at Clearfield High School. Following his Clearfield High School graduation, Brandon took a trip to Alaska with whom he considered his second family: “Bossman,” Sky, Cole, Peyton, and a few others.

At the age of 17, Brandon started his college education at Southern Utah University. He loved his time at SUU. Brandon would go on to graduate from Weber State University with a bachelor’s degree in Design Engineering. He worked full-time at BC Customs while attending college and had also worked there during his high school years.

Brandon was intuitive and insightful. He felt as if he was born during the wrong era. He was drawn to the music and the culture of the 1980's.

Brandon will be remembered for his big smile and infectious laugh. He was known for his generosity, kindness, humor, big personality, and compassion.
