Randy McKay Weaver

JUN 3, 1986 - OCT 11, 2025

Our hearts are broken but our spirits are full as Randy McKay Weaver returned to the loving arms of his Heavenly Father on October 11, 2025, at the age of 39, after courageously battling cancer for two years. McKay faced every part of his journey with humor, strength, and unwavering love for his family.

McKay was born on June 3, 1986 in Ogden, Utah to Randy Otis and Nina Flanders Weaver, and grew up surrounded by brothers, laughter, and endless adventures. After graduating from Viewmont High School in 2004, where he played both hockey and lacrosse, McKay served a two-year mission for the Church of Jesus Christ of Latter-day Saints in the Tuxtla Gutiérrez, Mexico Mission from 2004 to 2006. His love for the people, culture and tacos stayed with him throughout his life. He went on to earn a Bachelor's degree in Business Administration from Utah State University in 2011, where he met the love of his life, Jayne Natalie Smalley. The two were married on September 3, 2011, in the Bountiful Temple.

Together they built a beautiful life filled with love, laughter, and adventure. McKay was a devoted husband and an incredible dad. His children Brooklyn and Jay were the absolute joy of his life. Whether he was making his famous pancakes and French toast for a house full of kids, coaching the sport of the season, planning spontaneous family adventures, or sharing his favorite childhood movies, McKay infused everything with humor, warmth, and heart.

McKay loved to travel. He and Jayne made it a priority for their family and treasured exploring the world with their children.

A lifelong sports enthusiast, McKay loved both playing and watching just about every sport imaginable. He never missed a chance to cheer on his kids—or his wife—from the sidelines. His basement setup, complete with three TVs running at once, became legendary on game days. Whether it was watching March Madness or ESPN the Ocho, sports were one of the ways McKay connected most deeply with family and

friends—and most especially Jay.

His humor never left him, and his ability to laugh through life's hardest moments was one of his greatest gifts. McKay's love for Taco Bell was also legendary (and as he liked to joke "the cause of his cancer") and no day was truly complete without a Chalupa and a Baja Blast.

He is survived by his wife Jayne; his children Brooklyn and Jay; his parents Randy and Nina Weaver; his brothers Dean (Audrey), Bryce (Natalie), and Trevor (Celeste); his in-laws Scott and Wendy Smalley; and 14 adoring nieces and nephews. He was preceded in death by loving grandparents and other cherished family members who surely welcomed him home.

McKay's adventurous spirit, quick wit, and ability to make everyone around him laugh will be deeply missed but never forgotten. He lived fully, loved fiercely, and left a legacy of joy that will carry on in all who knew him.

The family would like to extend their heartfelt thanks to the incredible doctors and nurses at Huntsman Cancer Institute for their exceptional care and compassion over the past two years; to the team at A+ Hospice for making the hardest part of this journey a little easier; and to the many friends and family members who surrounded them with meals, help on house projects, and endless love and support.

Viewings will be held on Wednesday, October 15, 2025, from 5:30–7:30 p.m., and on Thursday, October 16, 2025, from 9:00–9:45 a.m. at 729 Shepard Lane. The funeral service will follow on Thursday, October 16, 2025, at 10:00 a.m. at the same location. Interment will take place afterward at the Centerville Cemetery.

His passion for life, his joy in sports and travel, and his generosity of spirit will be remembered by so many who knew him. Please know you are in my thoughts and prayers. I hope you find comfort in the love that surrounds you and in the many beautiful memories you shared together. With heartfelt sympathy, Sue Bouvy, Jeff's friend. Every time I make pancakes I think of McKay. On a friend's trip to Bear Lake he touted his expert pancake skills, explaining that the surface of the pancake should bubble and look like an orange before it's ready to flip. That will be with me forever. McKay made me laugh every time I was with him. It was always a joy to be around him. In this picture we were standing on the edge of a dock and nearly fell backwards into the water right as the photo was taken. A great memory.

We love McKay, and his whole sweet family so much! McKay really never failed to surprise, as he was fearless and would do anything. The biggest surprise I remember, was when he announced one day that he was going to do a 1/2 ironman. I didn't even know he swam! I remember saying, if you actually do that we're going to come cheer you on. And sure enough, a few months later we were down at St. George cheering for him as he finished his first ironman. McKay was always up for an adventure, like the time we hiked up a volcano together. But, what I loved about McKay the most was watching him with Jayne, Brooklyn, and Jay. He was such an amazing husband and father and would do anything for them. Miss you my friend!

McKay is one of the best humans I know. In some of my darkest days, McKay was there cheering me on and seeing if he could help generate me business and help me that way. He and Jayne were by my side when I thought I had no one. I am incredibly lucky to know these wonderful humans. Plus, McKay is the best dodgeball player in the universe.

There are so many great memories, but one thing that is constant is how generous he always was. I remember him taking us to Nacho House and he kept ordering food for us to make sure everyone's favorites were on the table, even though he couldn't eat much. Of course he did this while cracking jokes and making us laugh! He was the best and will be missed ♥.

For me and my family he will be always "Elder Weaver", I remember the first time we met him in San Cristobal de las Casas, Chiapas, normally my parents would rather close the door, however, they accepted to talk about God. Mckay along with other elders introduced us to the Book of Mormon through the long talks at the "Family Home Evening" we shared more than one occasion. I remember his kind smile and the willing to teach us the word of God. Also I remember when he came again to Mexico to introduce us Jane, she was so kindhearted and warming, one of my core memories in my childhood. For me and my family he will always be part of our life's, I want to send my condolences and to express the profound admiration of how he and the family handled the tough situation. I hope we can visit you soon. Now he returned to the loving arms of our Heavenly Father.

I first met McKay in southern Mexico when we were in the same mission. McKay was my zone leader and I remember going on splits with him. Being a fairly new missionary, I admired and looked up to him. He had a way of effortlessly befriending people and everywhere we went that day he seemed to know everyone. He truly served with love. That was something I tried to emulate for the rest of my mission and throughout my life after. He and his example will be missed.

I first got to know McKay while working at Taffy Town, when he came by from Genysis Labs to earn our business for third-party testing. He didn't just show up with sales talk — he came with his trademark enthusiasm, kindness, and that big smile that instantly made you trust him. Honestly, how could anyone say no to McKay? I said "yes" right away, and that's where our connection really began — both professionally and as family. What I'll never forget were his thoughtful gestures, like dropping off donuts at our downtown Salt Lake City office just to brighten everyone's day. That's the kind of guy McKay was — generous, funny, and always looking out for others without ever making it about himself. I later found out something awesome — McKay loved amusement rides just like I do. It made me smile to realize we shared that same love for adventure and fun. That detail sums him up perfectly: full of life, always ready to laugh, and never afraid to enjoy the ride. McKay will be deeply missed, but I'm grateful I got to know him — not just as family, but as a genuinely good man whose kindness and humor left a lasting mark. — Aaron Glade, cousin-in-law

Oh our dear friends, Nina, and Randy, Tracy and I have so many fun and fond and sometimes crazy memories of McKay growing up. We love you and your family and you are in our prayers. My favorite and unforgettable memory of McKay is when we were in West Yellowstone with the scouts way back with Tim Hunt in those days. As a leader, I got assigned by someone to be one of the two men in the cabin room with the youth. I thought to myself "oh great, this won't be a very good night sleep!!" I wasn't disappointed because McKay was jumping from top bunkbed to top bunk bed, keeping other boys awake, making weird noises and trying to scare some of them!! It is so funny how those memories are dear to you and fond years later, but at the time you just get a little disgruntled!☹️. Now it's a treasured memory!! Love, Rich & Tracy P.

McKay was the first neighbor I met when we moved into our home in the Rose Subdivision. It was 7 A.M. on a cold, snowy Sunday morning and I was out clearing our drive while McKay was clearing his own walks and drive. He was in his white shirt, ready for Church. He spotted me, came over, and started clearing my driveway. I knew we had moved into the right neighborhood! Ann Johnson
