Gregory George Zmuda, affectionately known as Gary Z or Zmuda, passed away peacefully on October 9, 2025, at the age of 75. He was born on January 26, 1950, in Newark, New Jersey, and spent his final moments surrounded by his beloved brother, Zach, at Hunter Hollow Care Nursing Facility in West Valley City, Utah, where he received exceptional care.

Gregory is survived by his youngest brother, Zachary Glenn Henrion; sister, Beverly Johnson; uncle, Neil Larsen; uncle, Gail Larsen; aunt, Nellie Wall; and numerous cousins, nieces, and nephews who cherished him deeply. He was preceded in death by his father, George Zmuda; mother, Ruby Larsen; and brothers, Bobby Zmuda and John Zmuda, along with several aunts and uncles.

Gregory held a special place in his heart for his childhood memories growing up in Park City, Utah, where he shared countless joyful moments with family and friends who were like family. He lived life to the fullest, embodying kindness, generosity, love, and care, all while maintaining a wonderful sense of humor.

A skilled carpenter and finish carpenter, Gregory had an amazing work ethic and a passion for the outdoors. In his later years, he took tender, loving care of his mother, Ruby Larsen, in her final years at their family home in Taylorsville.

I was blessed to call you my friend for six years. And I learned a lot about what a friend is because of you. I will miss you Nerd, you were there for me without me having to ask. We used to have discussions about anything, or sit in silence and just be, but I knew my friend was there. You were truly a blessing to have in my life, one of the greatest friends I'll ever be so lucky to know. You will be missed , never forgotten.

I have so many amazing memories of my brother Gary Gregory, George Zmuda Gary stuck because when I was a little, I couldn't say Gregory my name is Zachary because. Our mother Ruby gave Gary the option to name me if I was a boy and Beverly, the option to name me if I was a girl i'll always cherries. My name ZacharyGary is a very big part of why I am who I am today Gary was always kind, honest, humble, and generous. He was always there for our mother and took amazing care of her my whole life whether it be working tirelessly at our old house on 1013 Woodside in Park city he rebuilt the whole front porch and stairs put a roof on the house. I helped him dig out the basement 5 gallon buckets at a time we built the rock walls in front of the house. The left side is still standing today. He always set a good example for me on work ethics, Many amazing camping, hunting, and fishing trips we built a soapbox derby car that I raced on the Fourth of July two years running got first place both years he loved our family, our mother, our uncles, and our aunts always shared amazing fond memories of them with me. I want to always work on cars like he did. He had some really cool cars throughout the years But one of my most cherish memories I have of my brother Gary, is how amazing selfless he really was is working side-by-side with me taking care of our mother at her home, In Taylorsville feeding bathing and changing her keeping her comfortable in her final years and it breaks my heart to know that he succumb to his illnesses, but there will be no more struggling or suffering for him
