David Garcia Ramos

MAR 19, 1954 - NOV 25, 2025

David Garcia Ramos, 71, passed away near his home in West Jordan, Utah on November 25, 2025.

David was born on March 19, 1954, in Kingsville, Texas to Pedro Herrera Ramos and Hortencia Garcia. At the age of 8, his family moved to Salt Lake City, Utah. He graduated from West High School in 1972. As a young adult, David was the manager and drummer for his band, Topazz, which played both Tex Mex and American Classic rock.

On April 7, 1984, David married Connie Clayton. Together they would welcome four sons into their family.

David was a journeyman steam plant mechanic, and his career included working on jet turbines. He worked for the local power company for over four decades. Outside of work, he loved to build and create things with his hands—like a fun yet terrifying merry-go-round. David was a mechanical jack-of-all-trades. David could fix just about anything—from household plumbing to industrial equipment—though he would admit defeat to his iPhone.

He was a big movie lover who simply enjoyed the experience of any film, whether it was acclaimed classic cinema or a show that had gotten 3% on Rotten Tomatoes. He also had a great enthusiasm for food, especially . . . everything that wasn't a vegetable.

David's greatest passion was the mountains. He dedicated significant time to his cabin in northern Utah, which was his pride and joy. He built it with his own hands, and it served as his cherished escape and never-ending project.

David believed in the importance of family bonds. He was the unifying force among his nine siblings. He was always ready to lend a hand to family and friends—dropping everything to help with a middle-of-the-night airport pickup, fixing an HVAC system, or moving furniture.

I had the privilege of meeting David several times at work dinners through his wife (and my colleague), Connie Ramos. At the events, David was friendly, engaging, told funny jokes, and talked with me about hunting (a shared interest). I'm thankful I got to spend a bit of time with him, and that I get to work with his wife, Connie, who is such an important part of our USANA team. I hope Connie will find comfort and strength in this sad, hard time through her family and faith.

David was a man of a quiet and deep faith in Jesus Christ and the Plan of Salvation. Over the last few years my every conversation with him was of the truth of the Gospel and an unwavering faith in the blessed gifts of eternity. I will miss his encouragement and his Love. He will remain a cherished memory in my heart and a Loving friend I hope to meet again. My heart goes out to sweet Connie who has shepherded Dave through health trials recently. May peace find and comfort her.
