Steve Johnson shared 2 photos to the **Tribute Wall** album.

My best memory of Don (I'm his son Steve) was seeing him on his 90th birthday with his 3rd wife Kathy. It seemed to me that he finally found someone he "clicked" with. It was just nice to see him happy! The photos pictured were from visits within the past few years to see Dad, unfortunately after his wife Kathy had passed. Pictured are some of his kids (Kraig, Melanie & Steve) and one grandkid (Nicole). RIP Dad!
