My favorite memory with Beaner was when she posted on Facebook that she was craving red velvet cake. So I showed up unannounced and surprised her with a personal red velvet cake. She said it was the best birthday surprise ever!! I would always swing in and chat with her whenever I passed her house and she was sitting outside. Otherwise I would just lay on the horn and she always knew it was me driving by.

The big hugs she gave when we saw each other. Always flirting on Facebook to embarrass each other and make her friends wonder what was going on. She will be truly missed.
