Zack L. Barnes

DEC 26, 1965 - APR 3, 2026

Zack returned to his Heavenly Father on April 3, 2026. He was born on December 26, 1965, in Ogden, Utah, to Francine Johnson and Bill Barnes. He was the first born of three boys.

Zack grew up and attended school in Farr West and Huntsville, Utah. He learned the importance of hard work and a strong work ethic at Wangsgard dairy in Huntsville, where his brothers followed closely behind. His work ethic continued to follow him for many years as a dedicated dump truck driver. When he was not behind the wheel, he could be found four-wheeling or camping, embracing the freedom of the outdoors. Zack had a way of tinkering and could fix anything. He was always there to help with projects or heavy lifting and was only a phone call away, willing to drop everything and help anyone in need.

He married Corrie Haws and together they welcomed daughters Jamie and Lacie. They later divorced. Zack welcomed children Gage, Shelby, Shawnee, and Zackary. His children would like to thank him for showing them that life is full of adventure and experience. "We walked with you to learn that the simple things often teach us the most."

Zack was a loving son who took great care of his mother throughout his life. After facing many challenges, it brings us peace to imagine him surrounded by his loved ones in heaven. We will always remember his kind spirit and the immense love that he had for his family, especially his mom.

He is survived by and will be deeply missed by his mom, Francine Rice; his children, Jamie, Lacie, Gage, Shelby, Shawnee, and Zackary; and grandchildren Pearl Shirley, Aiden, and Theodore. He is also survived by his brothers Cee Barnes and Travis (Christine) Barnes; Aunts Darlene Senn, Marty (Robert) Stone, Sherry (Tom) Liggett; his father Bill Barnes; stepfather John (Janet) Rice; stepbrothers Rob (Mira) Rice and Scott Rice; many cousins, nieces, and nephews.

Gina L Thompson lit a candle in honor of Zack.

I have known Zack since the seventh grade. When he first moved hugh huntsville and started going to school at valley elementary. We went to junior high in high school together. Zack Corrie and I, along with a few of our good friends, hung out quite a bit. We would go four wheeling up in the hills, or sometimes we would go to the bar and shoot some pool and have a cold beer. Zack was always teasing somebody. He had a great sense of humor. And always. Zack loved to laugh and a smile. Zack was always willing to help someone if there we're having trouble with their vehicles or when we would go for wheeling, somebody got stuck, he was right there to help out. All you had to do was say, hey buddy, I need help you got a second. He didn't hesitate or come up with some d***** Excuse why he couldn't help out. He just said, yep, what do you need. He was a good guy and a great friend to many people. He will never be forgotten, always in our thoughts and our hearts. Until we meet again give heaven some hell and stay cool. Love you my friend Gina L Thompson
