“ Mrs Ware was my kindergarten teacher 43 years ago. She set the stage for my love of learning and reading. I ran into her not long before she passed away and she still remembered me. She was such a great lady

“ My deepest condolences to family and friends. Aileen was my kindergarten teacher at Meadow Moor Elementary in Salt Lake City. A truly wonderful teacher, Mrs. Ware got this lil antisocial introvert to learn to be a member of a class, make friends, play outside, and generally be a semblance of a human. Imagine my delight when later in life I acted on stage with her husband Leo and got to spend even more time with Aileen at Hale Centre Theatre, further enjoying her ready smile, humor and kindness. Love and gratitude forever for this remarkable lady and her beautiful life. Wishing you all extra love and peace.

“ Mrs. Ware was my kindergarten teacher at Meadow Moore Elementary School ~33 years ago. I still have vivid memories of her class. She was an incredible teacher and I loved her class. I saw her over the years at Hale Center Theater and recognized her immediately. What an amazing lady!
