“ My sincerest sympathy and thoughts are with you Judy and your Family with the loss of your Mom. Our Moms no matter how perfect and imperfect they are...are very special in our lives. The loss of our Moms some how changes us as Moms ourselves we now have a stronger sense of our own Families and the realization of what our own Moms went through in their lives for us children. Please know that my thoughts are with you... I understand the grief you bare and if you ever need some one to talk to I am here for you.
