“ We were fortunate to be able to visit Alicia quite often, sometimes daily. She always had a smile for everyone! Even through her difficult days her kindness and brightness came through. Though we are saddened with this loss, not seeing her is heartbreaking, but to know her was a gift from heaven. She'll be cherished and loved and forever in our hearts. Joan and Keith Brown

“ Alicia, I'm privileged to have had you as part of this family and I hope your spirit is full of hope, love, warmth and happiness just like you were here on earth....but now whole and pain free.
Ive never been one for horror flicks or zombies but I'm going to muster up the nerve to go see a REALLY scary 😬 one just because it reminds me of you. I miss you

“ Alicia was such a sweet person, with a big heart. She will be missed by many but never forgotten!! I am praying for peace & comfort for all who love her. It's but for a moment that there is separation. Someday we will be with her & other loved ones for eternity. I encourage you to find comfort through the holy scriptures. Its not done for Alicia she just started living eternity sooner than the rest of us.
