

Alicia Anna Rabner Cluff

May 20, 1948 - January 3, 2022

Our beautiful mother and wife, Alicia Anna Rabner Cluff, passed away on Monday, January 3, 2022. She was born on May 20, 1948 and was raised in Texas until she was 14 years old, at which time, her family moved to Provo, Utah. There she met and fell in love with Ronnie Porter Cluff. They were married on February 21, 1969 in the Salt Lake Temple and lived in Provo for a couple of years before moving to Mapleton, Utah. There, they raised their two boys(Jayson and Cory) and their two girls(Tamara and Corin).

Alicia loved her family so much and would do anything for them. She worked hard and sacrificed much for them. She loved to teach and spend time with her family. Alicia loved her animals (dogs, cats, birds and goats) and spoiled them a lot!

She has worked at many jobs over the years and even started a few businesses of her own including selling wedding invitations, herbal ointments and tinctures, goat's milk soap, lotion and cheese, many of which she made herself. She was a great salesperson and loved to promote things she believed in.

Alicia was very talented and had many interests. She was always learning and doing new things. If she didn't know how to do something then she would figure it out. She loved to garden and loved her many roses and flowers! She was very prepared and was always canning and freeze-drying food. She often went to preparedness fairs and was learning new ways to be prepared. She was a beautiful seamstress and made many things for her family and friends. She liked to play games and was very competitive. She was an avid reader and loved to spend her "down" time reading.

Alicia loved to travel and see new places, as well as using her camp trailer to go camping and fishing with her family. She enjoyed Dutch oven cooking and collected cast iron pans. It was a family tradition to go river rafting and she was the only person we know that could fall into the Snake River and get back into the boat without getting her hair wet.

She could talk to anyone from anywhere and make new friends. She had many "adopted

family” members. She was very generous and anyone that came to her house usually left with something. She was very active and nobody could keep up with her.

She joined The Church of Jesus Christ of Latter-Day Saints at age 14. She has always had a strong testimony and has been a great missionary throughout her life.

She is survived by her husband Ronnie Porter Cluff, her children, Tamara (Veloy), Jayson (Julie), Corin(Chad), Cory(Rebecca), her 17 grandchildren and 5 great grandchildren, her sisters Deana and Berenda and her brother Max(Lanell). She is preceded in death by her parents Ben and Omelia Rabner and her grandson Zachary.

She is loved by many and will be greatly missed! We will never forget the influence she has had in all of our lives!

Comments

“ Susan and I were shocked and deeply saddened to hear of Alicia's passing. We are grateful to Cory for letting us know. When I interviewed her to be my legal secretary, I immediately knew she was the right person for the job.

In the eleven years we worked together there were many adjustments and challenges and she graciously handled all of them. My clients grew to love her because they felt she really cared about them and was so responsive to their needs. She was a key factor in keeping my law practice going when I had health challenges. Alicia loved each one in her family, and found much joy in serving them. Susan especially enjoyed learning about the creative and amazing gifts she was constantly working on for them. She gave us many exquisite handmade gifts that are cherished in our home.

We are so happy we had a chance for a good visit right before Christmas and catch up with all that was going on in her life. We will miss her very much, but find comfort and peace in knowing that we will see her again in the spirit world.

“ I am so sorry to hear about Alicia, I have worked with her over the past 4 years. She was always kind and just laughed at everything, we had many a good laughs over our ages. I did not have the privilege of meeting her in person, but I know that we would have gotten along very well. I work in SLC, and we spoke on many occasions booking rooms and making sure her people were well taken care of. I am heartbroken, she was a client that I ALWAYS looked forward to working with and talking to. I hope that God fills your hearts with peace and love at this difficult time. Jamie Johnson....

“ I am so sorry to hear of Alicia's passing. Amen to everything that was said about her in the obituary. She was full of energy and determination and it was very apparent that she loved her family and was very proud of them. She loved to talk about her children and grandchildren and how talented they are. She will really be missed.
