

Angie Tolton

August 13, 1966 - April 28, 2017

Angie lost her battle with A.L.S Friday morning April 28 2017. She's finally having a "cup" with Mom.

She leaves behind her most precious treasures, her children, Ashlee and Devin, who she loved more than anything in this world.

Angie worked for Sam's Club and cooked at The Hitching Post for many years, where she had several friends who will miss her dearly. Her knowledge of football was unmatched by many. If you needed an answer she had one. Angie loved planting flowers and being outside. Her beautiful yard and great tan proved that.

She was preceded in death by Mom and Dad, Dennis and Nancy Tolton and grandparents, Ralph and Verda Egan and Shirley and Dorthey Tolton.

Survivors include her children Ashlee Martinez (Anthony Kelly) Devin Tolton (Bailie Butcher) sisters, Dena Thomas, Sheila Roylance (Dave Roylance) and brother Jason "JT" Tolton.

She requested no services, so we are having a celebration of her life on Saturday May 20th at 3:00 @ The Hitching Post. 30 North Geneva Road, Orem. Ashlee has requested that we wear football shirts or jerseys in memory of Angie.

“ I feel extremely lucky to have worked with Angie for a couple of years at the Sams Club cafe. As I was planning to move to Seattle she was my biggest cheerleader, knowing that I was going to love it. She was definitely right!! Coming back to visit she was always my friend who I'd look for and we'd always have to call Jamie to let her know that she was the one who got to see me 😊❤️ Angie was an amazing person who will be missed greatly.

“ Angie was the most kind hearted, calm, and caring person that I have ever known. We worked together when Ashley was very young. Angie had a way of just making me feel at ease, no matter how tightly wound I was feeling, on any given day. Just her presence and her smile could change the whole energy in the room. She is the only person who had ever got me to leave Utah for a couple of weeks, when she lived in Arizona. She always had a positive attitude and was always looking for the good in everyone and everything. She wouldn't allow me to just be negative and hateful when things would get rough. She was always saving me from myself without even knowing it. Loved her as much as I love my own sisters. I don't want to let myself believe that she's gone. It seems we always think we will have time to reconnect with close friends and loved ones. It feels so devastating when that time runs out. Love you Angie. You were taken from this world way too soon, but you will never be forgotten. 💜❤️
