“ Dear Pam & family - I am so very late writing this as I just found the obituary for Audrey! I have thought about her so many times and had hoped to visit her again and then the virus hit. Please forgive my lateness! I loved Audrey's laugh and enjoyed visiting with her when she was at Vera's and after Vera's passing. Audrey was a kind, loving woman of great faith and gratitude and had a positive influence on our family. My condolences and love to you! - Peggy Berry

“ Audrey was a good friend and fellow worshiper with my husband Vern Cavill at Third Church. She was such a warm and welcoming friend to me when Vern and I married, and I loved hearing about her growing years up in Long Beach.

She had a warm way of enjoying the past but also the here and now.
Rest well, my friend.

Love, Bonnie Cavill

“ Aubrey, was an amazing woman, and I have known her now for quite a few years, along with her daughter Pam who I consider very dear friends. Audrey was always so kind and such a delight to talk to. I'm so sad in her passing, but know she has lived a long and wonderful life and loved by so many. Pam has been by her side these past few years and is such a wonderful daughter to her mother. Audrey you will be truly missed. Love, Peggy Chastain

Audrey was our wonderful next door neighbor growing up. Such a lovely and gracious woman. She and my mother golfed together for years and had such a nice friendship! I have wonderful memories of the whole Russey family, including Pam who was our favorite babysitter. Sorry to hear of her passing, and wishing peace to her family.

Audrey was a wonderful mother-in-law to my sister Anne when she married Brent and was so kind to all of us. We had many interesting discussions and I always admired and respected her deep faith. I am so sorry for your loss Pam of both your brother and mother
