

## Barbara Thompson

March 20, 1952 - July 30, 2020

Barbara Thompson returned to the arms of our loving Savior and Heavenly Father, July 30, 2020 following complications from a stroke. She was born March 20, 1952. She married the love of her life Steven Thompson on September 14, 1976. They were sealed a year later for time and all eternity in the Salt Lake Temple on her beloved Grandparents anniversary. She is the proud mother of 3 daughters and her grandchildren are her world. She loved throwing parties, traditional Jammies at Nannies, her attention to detail was impeccable. She loved cruising the world on a ship or as the co-captain in the passenger seat with her "T". She was always up for a good time including Maroon 5 concerts and being the first in line for the 23rd showing of Mama Mia. She was selfless and passionate about her family, serving them daily. She was the hardest worker we know. She enjoyed watching the kids play their sports, excel in academics and giving them nicknames that they will never forget. She is their biggest fan. She is kind and supportive, a loyal friend to many.

She is survived by her loving husband, daughters Heather (Scott) Reeves, Jaymilynne, and Stephanie (Jared) Harbaugh. She was the Nana to 15 grandchildren who love her dearly. She is also survived by her siblings, Pam (Grant) Allen, Steven (Susan) Russell and Cyndee (Larry) Hansen, Brian Thompson, as well as many nieces and nephews. She was preceded in death by her brother, Scott Russell and her beloved Grandparents Stanley and Ida VomBaur.

Wifey, Mom and Nana we will miss you fiercely. Until we meet again, all our love.

“ Steve and family, we're so sorry to hear of Barbara's passing. And I'm sorry that I haven't kept in touch like I should have. We had such good times together! Great memories of all the fun we had together and not just work. You're in our thoughts and prayers! Barbara will be missed by all! Love, Denine and Steve and family

“ Sorry to hear of Barb's passing, it is hard to believe she is gone. It has been forever but seems like yesterday when I was a teenager and she and Steve were working at the ole Pizza Hut, when I started there. Jodi still remembers the " boy advice" that Barb gave her. I remember her contagious laugh and she always had a smile on her face. May your family be comforted at this time and all of their memories of you be with them to heal their broken hearts.

With love my friend

“ Barb was and still is an "Elect" daughter of God. I always admired and appreciated the tender care she took after our grandchildren and the love she always showed to my son Cody. I will miss you Barb but I have beautiful memories of you. I love you forever

“ My heart goes out to all of you. Your mom was selfless and loving and caring with a sense of humor like no other. I know the love she had for her family was huge. Barb was a true loyal friend to my mom Ivy with whom many memories were made. My heart aches for the loss of such a wonderful lady and there will be a void in the world that could never be filled... It gives me a sense of peace knowing she'll be in heaven keeping my son Freddy in line.. God Bless... Anni....

“ Barb and Steve used to work at the Arena and the Ballpark with me. They were some of my favorite people to work with. Barb was one of the kindest souls I have ever met. Steve loved Barb with all his heart. They were inseparable. I had the privilege of working very closely with Steve, and he was constantly talking about Barb and his kids and his grandkids. His family is the pride and joy of his life I also got to work with a few of their grandkids and they were kind souls just like their nana. My heart, thoughts, and prayers go out to Steve and his family during this tough

time...

“ Steve, this makes me so sad. I really enjoyed our old new, friendship and talking with her at either the ballpark or arena. Although we lost a dear friend, heaven gained an angel. May you feel her essence always.  
Love,  
Jacie

“ I first met Barb when I started working at arena in Sept. 2004. I was a cashier in stand 302 . I loved seeing her check in on us on special events and Jazz games. Barb had a bubbly personality. When I worked with her on a one on one basis she would ask me if everything was okay and I said yes. When I would bring in treats I would always give der her some Around the holidays I would bake cookies and bring some in. Barb is a very caring and loving person. She has a big heart and is very understanding working with people, especially the young ones. Ms. Barb, you are now in Heaven with the angels. God bless you. I enjoyed getting to know you. You are a very kind and considerate .
