

## Beckie Beth Bucklew

July 11, 1979 - October 13, 2018

Beckie Beth Bucklew returned to the loving arms of her Heavenly Father on Saturday morning October 13, 2018 in Provo, Utah. Beckie fought a very courageous battle against Diabetes most of her life. Her spirit was willing to stay with her earthly family but her poor broken body was no longer able.

Beckie is survived by her sisters Brandi Bucklew (Ballantyne), Brenda Bucklew (Ester) and Chris, Cameron, Allie, Jake (Ballantyne), Chad, Camille, Kiersten (Ester) her nieces and nephews and don't forget, Fiona her cat.

Beckie was born in Coshocton, Ohio July 1, 1979. At an early age her family moved to Utah after becoming members of the Church of Jesus Christ of Latter Day Saints. Beckie served a full time mission for the Church of Jesus Christ in Harrisburg, Pennsylvania. She returned to Pennsylvania and worked as a family care giver for a precious special needs family who needed full time care. She also worked as a manager of a toy store resulting in more toys than her nieces and nephews ever needed.

Beckie spent her whole life serving and loving others. She was a living example of Christlike charity. She truly did not deserve the physical challenges that she faced throughout her life but she faced them with faith and a strong testimony of Jesus Christ.

A Memorial Service will be held Saturday October 20, 2018 at 11 AM at the LDS Meetinghouse located on 496 River Way Lehi, Utah. All family and friends are welcome to attend the service.

“ Beckie was a true Angel. There were times in my life where I thought that I was helping or serving her, but she was really the one helping and serving me. We lived together in my old Orem Home, with Paul and Brandi and the kids. We went to UVU together and just had fun driving around, going to movies and going out to eat. At that time, a lot of my friends were getting married or going away to school. The ones that stayed, started making poor choices so I distanced myself from them and literally had no friends. I decided to focus on college. I knew that Beckie needed a friend as well. But what really happened is that Beckie saw that I needed a friend. She was someone I could giggle with, someone who would tell me how it really was, someone who loved me unconditionally. She was truly an angel who blessed everyone around her with her kindness, honesty, and sense of humor.

Even when we didn't see each other for periods of time, the moment that we would see each other was so sweet. She was always so excited to see me, and vice versa. I always felt pure love from her and felt that she was like a Sister to me. She fought long and hard and had so many obstacles in life, but I know that our Heavenly Father enveloped her in his arms when they met again and he told her, "Well done thou good and faithful servant." She endured this life with so many trials, and health hardships, but she did it with faith and and with a sense of humor and with a pleasant attitude.

Beckie, your sweet spirit and countenance will be greatly missed. I can't wait until we see each other again and I get to see how excited you are to see me again because I will feel the same way. Love you dearly sweet Sister and Friend.

“ I am always grateful to her family that she was there with her family.

What a gem! Beckies love for the gift of life was seen throughout all the time I knew her.

Her love of her shoes(at least in Ohio), her love for her cat(only Beckie could take a deaf cat and show patience and teach it) her love for the church, she would teach the kids in primary even in very difficult health times, her love for her family and all people,whether it was her neighbors or friends, her grandma in Ohio,(she did not want her to be alone) her love of her Heavenly Father and Savior. Her life itself was a testimony of how much she loved them.

Her ability to manage her illnesses in dire times, she never was addicted to any pain medications, which took some effort for sure.

And I do remember how she really enjoyed Charlie Brown and Snoopy the great Red baron during the holidays. I am certainly grateful she was part of my life and appreciate all the things she taught me, her beautiful smile, and her most precious heart.

“ Such a sweet, loving, giving spirit! I only had the pleasure to know Becky for a short time. She definitely earned her spot in heaven. She gave everything she had. Rest in the arms of our Savior.

“ Beckie was a person you only had to know for a few minutes to know you loved her. She was one of the sweetest, kindest people I have ever met. She also had a great sense of humor and was really fun to be around. She was a great example and blessing to all who knew her!
