“ David and I saw the obituary for Sister Hall in the Payson Chronicle. We tried to visit Dan and Kathy at the church before the viewing on March 31st. However, we looked at the date and found that it was the week before. We are so sorry we missed the funeral and viewing. We would have loved to see Dan and Kathy again. They were wonderful friends when we were in college at BYU. Lynda would see Sister Hall at the temple almost every Wednesday. She was always so cheerful and happy to be in the temple. We hope that Dan and Kathy will come visit us in Santaquin next time their in Utah. Our sympathy goes to each member of the family. We are sure she will be missed, but know she is happy to be back with her husband again.

“ Ceci and I send our deep sympathy to the Hall family, and particularly to our sister-in-law, Tammy and her family, on the passing of your dear mother and grandmother. We know how close the Hall family is, Losing your mother hurts. She lived a long and meaningful life and leaves an enduring legacy in all of you. Our hope is that you have peace in your knowledge that you have the opportunity to see and be with your mother again for a lot longer than the short time this life gives. Our love and support are extended to all of this devoted family...
