“ There isn't a woman I know as brave and strong as you. You will be missed so much! Thank you for your example of unconditional love.

My fondest memory was watching you visit the beach and walk to the Pacific Ocean for the first time. We laughed about a guy that whistled at you and the seagull that pooped on you. You were a good support. Love you to the moon and back!

“ Drew's beloved mum is how I know and remember you. He spoke so lovingly of you all the time, shared many great stories, memories and funny times with me while we were at work.. I sure wish I had the chance to meet you, but you are a huge part of my heart as your amazing son Drew is. Thank you for bringing such a loving, kind hearted man into this world...I am very blessed to love my friend, and now love you because of it.

RIP beautiful mumma, you will be so missed by many. Xxooxxoo

“ Mom, there isn't going to be a day that you aren't in my thoughts. You truly was one of the most beautiful, loving people I know. I wish we could have played more ms Pac-Man together. We had so much fun with that game. Thank you for always being my rock and showing me there is always a brighter side and not to live with regrets. I love you to the moon and back. please don't forget to visit. Ps I love you!!
