“ Brenda was an amazing Mom and Grandma. I know she loved her family very much. Brenda and Brian created and raised 2 amazing children. Chis and Megan are such an example to our family. At family gatherings Brenda would make this amazing rainbow jello salad that took hours to make. I tried to make it once and I gave up because it was so time consuming. She will be missed by her family. Love Shelley shaw

“ I met Brenda several years ago at Alta View imagining. In our conversation we found that her Mother was my husband’s cousin. It was nice to visit with her and talk about her Mom and Dad. Brenda was a sweet woman and always very caring. We are sad to hear of her passing and send our love and condolences to your family. May her sweet memories be comfort to you in this difficult time

“ I remember well serving the ward with Brenda, back when our kids were young. Brenda was always so bubbly and fun to be around. After she started working at Alta View hospital doing mammograms, I would always try to get her as my technician — She could make that whole experience into a pleasant time that left me smiling. Though she will be missed here, I’m sure that her light will shine even more brightly on the other side!

May the family be blessed with peace and comfort as you adjust to her absence in the home.

Much love,
