“ He was an amazing man. He was like a dad to me and treated me like a daughter. There are so many great memories with him. I am so grateful he was able to be around for a few months to see/ meet his grandson.

“ I am just like you Dad, and proud to be so. I Never imagined a day you wouldn't be around but will proudly carry on the hard headed trait. You were an amazing father and example to all your children but especially to your "first born son" ;) . I will miss you so much♡♡♡♡

“ My dear brother-in-law Blaine will always be remembered for the love and kindness he showed to all. I have many fond memories of when he and my departed husband Jay would get together and tease everyone. It was never a dull moment at family gatherings when these two were together. You may be gone from this Earth but you will never be forgotten
