Brynn Alyssa Bunker Lambert  
“Brown-eyed Girl”

Our beautiful brown-eyed girl, Brynn Alyssa Bunker Lambert, passed away peacefully in her sleep on December 9th, 2017. Brynn was born in Provo, Utah, on February 11th, 1980, the fourth child of Stephen and Teri Bunker. Brynn’s father was in the Army, and she lived in Hawaii, Maryland, Nevada, and Utah before graduating from Snow Canyon High School in St. George. At the time of her passing, Brynn resided in Murray, Utah. She was employed at Automatic Data Processing (ADP), and was working toward her Bachelor’s degree in Psychology.

From an early age, Brynn had a wry sense of humor and a ready smile. She possessed a gift for making people feel heard without passing judgment. Brynn was especially close to her younger sister Brittany, and was a favorite aunt among her nieces and nephews. She was nicknamed “the baby whisperer” because she was so adept with children.

Brynn met the love of her life, John Craig Lambert, in 2001, and they were married in 2005. They shared a passion for good food, excellent music, and pets of the feline variety. The two of them enjoyed hiking and traveled extensively. And from the start, Brynn considered Craig’s two sons, Taylor and Bailey, to be her own children, fretting about their challenges and rejoicing in their successes.

Some years ago, Brynn took up running, something she enjoyed doing with the Huntsman Hometown Heroes to raise money for charity. She and her older sister Brooklyn logged many miles together. Despite certain physical challenges, Brynn did 5Ks, half marathons, and even completed an impressive 20-mile stretch of the Ogden Marathon.

Brynn worked at Automatic Data Processing (ADP) for over a decade, and considered many of her coworkers to be dear friends. In turn, she was known for being kind and hilarious. Brynn spoke of becoming a social worker someday, but worried about the

emotional toll inherent in the job. Those who knew her can attest that she was possessed of an enormous heart, and acutely felt the pain of anyone who was suffering. She did volunteer work to help homeless teens and veterans, fed rescue animals, and participated in many family service projects. In addition, Brynn and Craig were part of the Big Brothers Big Sisters of Utah program for many years, mentoring a six-year-old boy named Izeal who is now seventeen. Izeal too will keenly miss Brynn, who was like a second mother to him.

Brynn is survived by her husband Craig, their sons Taylor and Bailey, as well as by her parents and four siblings: Brooklyn (Matthew) Evans, Benjamin (Tricia) Bunker, Brett (Jennifer) Bunker, and Brittany Bunker. Her younger brother Braden preceded her in death in 2010. The two of them are undoubtedly enjoying a glad reunion, as the heartaches they endured in this world have ebbed away. And although those who loved her have heartache still to endure, Brynn's was a life well lived. We carry with us the hope of our own joyful reunion with our brown-eyed-girl.

Memorial services will be on Saturday, December 30, 2017 at 11:00 AM at Park 3rd Ward Meetinghouse 4825 West 7000 South, West Jordan, UT 84084

“ Craig and Family,

I just found out last weekend that Brynn passed away. (Today is March 26, 2018) I sent her a text last week because I was missing her and wanted to say hi and she never responded nor did she respond to a Christmas card I sent her in December. Our last text was the end of October/first of November. I went to her Facebook Page and saw the words "Remembering" at the top. I broke down crying and have been so affected by this and in complete shock. I'm so sorry I was not there at the funeral to support you Craig and your families and to say goodbye to my dear sweet friend. I loved her so much and cherished our friendship. She was such a wonderful neighbor and friend to me. I know I moved there so we could be friends and support each other in our trials. She was the best listener and really always showed she cared about me. Everytime she would text me, or email me, or call me, or stop over to the house she would start out by saying "Hi Sweets." My little dog Bear just adored her and she walked him often so I didn't have to come home at lunchtime from work. She always wanted to help me in anyway she could. She was so giving and so kind. I can't believe she is no longer here. My heart is so very broken.

I love you sweet Brynn. I will always think about you and I'm so very grateful our paths crossed in this mortal life. You are so beautiful inside and out. I can't wait to see you again and I know I will and I can't wait for that day. I'm so glad you are with Braden and not alone. May you both be at peace and find happiness together. May Heavenly Father watch over you. I'm so sorry I wasn't at your funeral to say goodbye. Please forgive me.

Until we meet again! I love you!!!

Your friend and sister forever!

Christa Bird & Bear Bird

P.S. Craig please call me. I really want to talk to you. (801-243-4357) I'm here if you need anything. Please give your sweet cats a hug for me. I know how much Brynn must be missing them.

“ Craig- - We had a grievous loss. Hope this touches you as it did us. Keep good memories of happy, lovely, smiling Brynn with you as you move ahead in your life.

Love and heartfelt sympathy,

Uncle John and Aunt Heather

MISSING YOU ALWAYS:

YOU NEVER SAID "I'M LEAVING"  
YOU NEVER SAID "GOODBYE"  
YOU WERE GONE BEFORE I KNEW IT  
AND ONLY GOD KNOWS WHY

IN LIFE I LOVED YOU DEARLY  
IN DEATH I LOVE YOU STILL  
IN MY HEART I HOLD A PLACE  
THAT ONLY YOU CAN FILL

IT BROKE MY HEART TO LOSE YOU  
BUT YOU DIDN'T GO ALONE  
A PART OF ME WENT WITH YOU  
THE DAY GOD TOOK YOU HOME

“ I remember meeting Brynn many years ago. She was so big hearted and possessed the quality of making you feel as though you were an important person to her and whatever project you were working on together. I logged many miles with Brynn and Brooklyn during Hometown Hero's training runs. Brynn was such a wonderful presence to be around.

“ I sat by, worked with, and was trained by Brynn at ADP. I loved everything about Brynn! I started a lip balm company and I spent a lot of time picking Brynn's brain about formulas, flavors, etc as she was my lip balm pro. I bugged Brynn for years to create Brynn's Bees lip balm brand . It's too bad she didn't as she made amazing lip balm. Brynn was always a sincere and kind person. She was easy to talk to and I'll miss our conversations. She is definitely one of my favorite people to have walked this earth. You will be missed Brynn!
