Cambry Mawson

9/17/1984-4/22/2019

Cambry Mawson loving mother, daughter, sister and friend passed away unexpectedly on Monday April 22, 2019.

Cambry was full of life from the day she was born. She had a sparkle about her that nobody could replace. Her laugh was infectious as well as her smile. Cambry had a love for pranking and scaring her family and friends.

She also loved movies, The Office, Friends, the Oakland Raiders and softball.

Cambry had a couple of jobs, but finally found her second home with Priority Dispatch, she loved her friends and co-workers and would always talk about how much she loves her job. Cambry had a huge heart and loved everyone that came into her life. Whenever anybody was upset or down she knew just how to cheer them up, whether it was the Carlton dance or playfully trying to pick noses.

Cambry loved her family and friends, but her children were her everything. She would've done anything for her babies.

Cambry is survived by her children; Evey (12) and Gage (4), her mother Chris Mawson, sister Malory (Zack) Mawson, sister Carisa (Rob) Mitchell, (Hillary), her grandparents Clay and Karen Lisonbee, and she has several other close cousins, aunts and uncles that she loved dearly. She is preceded in death by her father Michael Mawson and her nephew Kaleb Mitchell.

We would like to thank everyone for their continued love and support and we are truly grateful. There has been a Go-Fund-Me set up in her name for anyone who is wishing to donate for her kids and final expenses.

A celebration of life will be held at 1:00 pm, Saturday May 4, 2019 at the LDS Church on

2925 Bengal Blvd. Salt Lake City, UT 84121. This will be casual and we are asking people to wear what they would like, but Cambry's favorite color was purple.

“ We always called each other "buddy"! Buddy, I'll dearly miss you at work! What a loss! I pray for your soul to rest in eternal bliss! We love you and always will.

“ As a co-worker of Cambry, I am going to miss walking into work together and teasing her about her morning drinks from Sonic. She was a bubbly, fun, and outgoing person, she is going to be missed.

“ I am one of cambrys neighbors. I'm also a stay at home husband so I noticed routines. Especially of my neighbors. She was always up and ready to go to take the kids to school. And then assume to work. She would get home pretty late as well. So I know her days consisted of 12 and 13 hour days. We didn't always see eye to eye, her and I. But I can appreciate someone who works hard for her family. I had no idea that she had medical issues going on. But was suspicious when her car stopped moving and I stopped seeing the kids go to school. But never expected her passing. Me and a few neighbors got together last night to talk about her and wish her spirit to rest. Sorry to the loss of her kids and family.

“ One of the best moments I can recall was when she lived right next door to Zack & I in the apartments in Sugarhouse. She patiently waited for Zack to come around the corner (it was dark outside) she jumped out & grabbed him while screaming BOO! Zack fell to his knees & damn near fainted. The scaring one other back & forth after that never stopped
