Carl Lee Wilcox

We will miss our Energizer Bunny.

December 13, 2018, Carl passed away after a long and courageous battle with heart and lung disease. Carl loved and was a devoted family man, who thoroughly enjoyed spending time supporting his children in their activities. Fishing with his daughter Cori Lyn or helping his son Christopher with Anime Conventions. He enjoyed spending time with his Goddaughter Michelle, her husband Jaime and their 3 children Wylie, Bracken and Kaylee Wilson including tea parties.

Carl loved all aspects of hunting fishing and Mountain Man life. Carl worked with and made many leather items including his own Man clothing, powder horns, and guns. During his jobs with the school systems in Idaho and Colorado he would teach the 4th grade students about the Mountain Men of history. Carl was always busy doing something earning the nickname "The Energizer Bunny."

Born January 24, 1955 to Sherman Roscoe and Marjorie Ooley Wilcox in Colorado Springs, Colorado. He married his soul mate Robyn Jensen Wilcox on March 27, 1982 and they enjoyed 36 years of marriage. Their life together was not always easy, but was always full of love.

The Wilcox family would like to acknowledge Lighten Hospice for their care and a special thank you to Christopher Blain RN.

Preceded in death by his daughter Carlee, brother, Sherman (Buzz), and his parents.

Carl chose to have a Celebration of Life in the outdoors and this request will be honored in late March or early April.

“ Loving memories live on forever even in your sadness, we hope you can hold on to the thought that a life lived with so much love never really ends, but goes on forever in the hearts of those who remember.

Love and Prayers for you and your family.

“ Carl is the Great Godfather of my kids. Michelle Wilson. And Pat Callahan. And he will continue to do so. Up in heaven looking over all of us. I've always regretted not living close. To Carl and Robin. But they're always in my heart.
