“ She is a special lady. I really enjoyed our time together as visiting teachers. Her knowledge and love of the gospel was very strengthening to me. I know her love and concern will reach through the veil to those sealed to her.

“ I loved Carole. She was always kind and gracious, beautiful inside and out. I am one of those children she had dance at the Tabernacle many years ago. I still have my costume!! It was a special event in my life. I always considered myself her relative, through my Uncle Bob. I will miss her.
