“ I feel so empty inside, a peice of my heart is gone. I miss you more and more everyday. When I wake up I have to remind myself that it isn't a dream.

“ Cathy will always have a special place in my heart, I don't know what I'll do without her. She's always been that go to person for me when I needed a friend and she was like another Mother to me. I have so many great memories with her and I could never thank her enough for always making me feel like I was always welcomed as a part of her family. My heart is broken for her Children, Grandchildren and everybody that knew and love her. I pray for acceptance of what we can't today and healing for our broken hearts.
Love you so much, Candy.
