

Chris "Chrissy" Marie Inkley

July 13, 1966 - August 22, 2019

Chris "Chrissy" Peterson Inkle was called home on August 22nd 2019 to be reunited with her Mom, Dad, and sister Kathy.

Chris's life was filled with love and compassion for those around her. Her concern was always for others, even when her needs far outweighed those she served and loved. Chrissy loved rock and roll and was a rock star in her own right, her instrument of choice was pure love, no strings attached. If you were with her, life was better, lighter, and one could not help leaving with a smile on their face. If you arrived sad, you left happy. If you came with a burden, she helped lighten the load. Her life was filled with sacrifice for those around her, and many were lifted through her kindness. The world has lost one of its true Angel's - and Heaven celebrates her return.

Her talents are many and she loved to share them with those who needed them. From table decor to swags and wreaths. Helping to put colors together to fashion advice that was always spot on.

Chrissy worked hard and became a real estate agent before fulfilling her true calling of being a Mother. Her light shined brighter as she took on this role and she gave all she had to complete it to the end.

Chris was born on July 13th 1966 to Fay and Virginia Peterson. She married her best friend Mark Inkley on August 28th 1992. Her greatest treasure are her children. They brought her joy and purpose even when her life became difficult and her health became burdensome.

She is survived by her husband mark Inkley; daughter, Olivia Inkley; son, Jacob Inkley; brother, Craig Peterson; sisters, Kala Peterson and Karla Shephard (Breck Stephens). She will be missed by those who knew her.

Rest in peace Chrissy, you are home.

Funeral Services will be held Thursday, August 29th, 11:00 a.m. at the Granger 4th Ward, 3305 So. Scottsdale Dr. West Valley City, with a viewing Wednesday evening at the church from 6 – 8 p.m. and Thursday from 9:30 – 10:45 a.m. prior to services.

Please have flowers delivered to the Church on Wednesday at 5:00 p.m.

“ I met Chris when we were very young sometime in Jr. high and elementary school. My sister and her sister were very good friends so they would hang out and leave me and Chris to keep each other company. Considering I was three years older than Chris I remember not being very happy with the situation, with one look at that infectious smile we became life long friends, I have too many stories to tell and only wish we would have stayed in closer touch after our teen years. Love and light to you, "Ramble On" sweet girl...

“ My brother and I were just talking about what a wonderful person Chris is! My brother was a TA in Mr. Fredrickson's shop class in junior high school. My brother told me how she used to drive Mr. Fredrickson nuts by calling him Misto Fweddy! I'll never forget the day he tried to correct her saying to her..."To you young lady it's Mr. Fredrickson"...Chrissy replied with "Okay Fweddy".

“ Dearest Inkley family, we just wanted you to know what a bright spot that Chrissy was in our lives! No matter where we met her she just radiated unconditional LOVE! She brought such a feeling of peace and calm wherever she went, you could'nt be sad around her! She is a very sweet lady, and she will be missed terribly, but she is no longer hurting, and she is still watching over you! Write down your memories then go back in a year or two, get together and share all those good and fun times you had together and be thankful she is on your lives, and always will be! May our Heavenly Father bless you with his solace at this hard time. Lots of love and Prayers, from the Anfinsens

“ When I think of Chrissy, I think of love. She loved with her whole heart and with such purity. She spent so much time in our home she was the little sister I always wanted. When we were teenagers, she was my best friend. When my dad was in the hospital, she brought a basket filled with treats and snacks and sat with us sharing her memories and love. I'll never forget what a comfort that was. Chrissy, I love you and miss you so much! You will always be one of our family.

“ Chris and I spent many moons together and shared lots of belly laughs! We had a lot of the same interests but could always sit in a room with loud music just enjoying each other's company! She would come and stay overnight at times when my husband was out of town working. She had a huge heart and I sure loved and will always cherish the short time we had together! Wish we could have had more of those laughs but I feel comfort knowing you are no longer in pain!!! It's an awful thing!!! RIP my sweet friend!

“ I met Chrissy about five years ago through a mutual friend (Roger). This was at a very difficult time in my life because my sister had recently passed away. Chrissy had alot of the same qualities that my sister had and I remember thinking how much she reminded me of her. She has like a godsend. I found out over the next few years that she is just as beautiful inside as she is outside. She always thinks of others before herself. I don't know anyone who is unselfish as she is. I was devastated to find out she had passed away. I consider myself lucky to have had her in my life and I'm a better person for having known her. Everything in her obituary is true, the world had lost one of it's true angels. I only wish I'd had the chance to get to know her family. I'm heartbroken by her passing. Rest in peace Chrissy. I love you my beautiful friend !

“ How can we begin to express our feelings about an incredible sister? She was such a bright spot in our family and we loved being with her. She could always make us laugh, and was so appreciative of what others did for her. Even though the last several years were filled with challenges, pain and sorrows, we always felt her love and appreciation! Chrissy we will miss you more than you can imagine! We know you will be watching over your family from your Heavenly home, and we will do our best to be there for them on our side I'd the veil! Love you Beautiful!!!!

“ Chris was my visiting teaching partner for many years. She was a true friend with genuine love for me and for the sisters we visited. She would do anything for anyone. She truly was a loving, giving, caring friend to all. Love you Chris..... you will be truly missed.
