

Christopher Allan Carter

January 15, 1990 - June 3, 2020

Christopher A Carter (CAC)

Born January 15th 1990 in Salt Lake City, Utah, left this earth too soon on June 3rd 2020.

Chris was very lucky and has two sets of loving parents- Mike and Nikki Carter and Tracey and Run Heng.

Siblings- Amanda (Nick) Langi (Kaylynn, Villi). Shane and Brianna Carter. Hunter Lexes. Anna Carter. Brittany (Clint) Chidester (Mason, Lily, Nevaeh). Kevin and Taylor Heng (Taya, Zayden). Shayla and Jay Wall. Brother-in-law Spencer Langi.

Grandparents- Linda (Lin) Carter. Robert and Shanna Brinkerhoff. Carol (Harry) Naylor. Outh Saing.

Our amazing and fun loving skater-boy lived his life to the fullest. He was the life of every party. He made everyone laugh and with his quick wit. He was able to bring laughter even in sad times. He left an impact on everyone he met. Chris would never turn down an opportunity if anyone needed physical or emotional help.

Chris was the best uncle in the world to his nieces, nephews and all of his friends' kids. Chris had so many close friends he considered them family. He was so close with his cousins and other family members that they were all more like siblings to him. Chris was the type of person that once you met him you'd be a friend for life.

Chris spent so much time skateboarding, camping, hiking, fishing, loved a good game of chess, never left the house without a hacksack and had a crazy love for Dragon Ball Z and the Utah Jazz.

Chris was such a light in everyone's life he will be greatly missed and our hearts will never

be full again. He would always say, "Live your life to the fullest" and he did.

Heaven is about to have the biggest celebration - he has so many family and friends waiting for him with open arms. There will never be another soul like his and the stars will shine a little brighter now.

“*Brother, I have so many memories with you. You would get me out of the house even when I didn't feel like leaving my bed. I loved bowling, Chess, and when we took the dogs to the pond to teach Chyann to swim. You understood me, we had a lot in common. Please leave some dimes to remind me you are with me. I love you so much, and can't wait for our next chess game.*

“*I always remember Chris being so welcoming to me when I first came into the family. Even before Shane and I got married he would without fail tell me each time we would part ways “Love ya sis”. It made me feel special to hear that and know that he thought of me as family from day one. Love and miss you big brother. Until we meet again.*

“*To Chris's family, I'm so sorry for you loss. He was a sweet young man, a great uncle and it is heartbreaking. I have shed more than a few tears thinking of you all. I've prayed for God to comfort you all as only he can. I love you all.*

“ Chris you will be missed, I am not good at putting things into words, I loved how you didn't care what others thought but would never do anything to hurt their feelings on purpose? You were driven to do better and a great uncle to all the kids and will be missed.

“ Chris was a great friend to me. He was always doing something to make me laugh! I would go over to his house after work and drink, more often than not I'd end up falling asleep on his couch watching cartoons. When I wake up he always had a blanket on me and a pillow to sleep on, I knew he cared about other people. He was that friend I could message about anything and he would always reply. Wherever he went he always made people smile. Chris was a brother to me, ill miss him deeply.
