“ Chris,
I am so sad I learned of your passing. You were just an incredible person with a heart of gold and a soul to match and even that doesn't say enough about the man you are. Thank you for all of the smiles and the impact you made on so many lives.

“ Chris,
What can I say that everyone doesn't already know about you. You have always been very respectful to all, had a million dollar smile and gave killer hugs.. You will be so missed and always loved. But now your purpose on this earth has been fulfilled and The Lord has called you to come home. The pain and all the demons you were fighting are no more. Now you can go and breathe easy and be with all your loved ones who have gone before you and live in eternity. So until we meet again, go with Jesus and rest in peace my darling cousin..
