

## Connie Lynn Robertson

April 5, 1965 - September 7, 2021

Born In Ogden, Utah, April 5, 1965 to Deloy and Laura Ward. Connie is survived by Steve Ward (brother) and Garret Neal (son). She was preceded in death by her parents, Deloy and Laura and her son, Zach Mendelkow. Connie has 9 grandchildren and 2 daughters-in-law Maryann of Roy, UT and Autumn of Montana. She had a very hard and difficult adulthood and tried to survive the best that she knew how. After the passing of Zach, she gave up hope. Life was just too dark from that point on. Those that are survived by you will miss you, the real you. She could make anybody laugh or smile. Anybody that knew her could instantly like her. You will be missed. We all wish things would have been different, better, and full of fun. The nights spent with Maryann watching American Idol and eating Chinese food are a fun memory that will be dearly missed. Cito, Zito and Guito, LOL our first letter nicknames that we all 3 always called each other - people looked at us like we were off our rocker. But we knew, and we always laughed about them. We hope you know of the true love we had for you and that you can finally feel it. We only wanted the best, even though it felt hard and difficult. Things had to be that way because we wanted to see your genuine success. Never to hurt or cause pain.

“ Connie, you and I were best friends as teens in Riverdale. The first day I moved to Riverdale, we met, and were inseparable after that day. We spent alot of time together, walked everywhere, and had alot of fun times! I am so saddened to see this. I love you dear friend and I pray you rest in peace.

“ I will always think of you. I will never forget the fun times the 3 of us had growing up. Some of the crap me and Zach tried to pull.. lol 😊. I love you mom. I am so sorry. Find Zach, have an open heart and just love. You know what I'm talking about. I hope I can see you again.
