Our Daddy took pride in being a hard worker, as well as being a great cook. He worked in that Industry for many years, as well as being a Weatherization Tech for the Community Action Program.

He was a jack of all trades, if it couldn't be fixed, he would always find a way. He was a very strong-willed, determined man. He loved bargain hunting and was proud to show off his finds as well as his interior decorating skills. Always creating something new and unique. He enjoyed watching Boxing and was a pool shark. He also liked fishing, and golfing with his brothers. He will be remembered for his infectious laughter and sharing his crazy, corny jokes. He was a very caring man, always willing to help and give to those he could. He will always be respected and admired for his knowledge and strength.

He will be greatly Missed by all.

We All Love and Adore you Daddy!! Me More!! Forever!!

“ I remember going to your Dad's house. I was so in love with his Coca-Cola bathroom. He had taken the cans & decorated his bathroom. This included the following  
toothbrush holder  
Soap dish  
Q-tip holder  
This was so amazing this is just one great memory I have of Dan. Besides the corny jokes he used to tell me and Valerie when we go over to his house. RIP Dan
