

David Andrew Robertson

May 25, 1963 - June 11, 2019

David Robertson passed away peacefully in his sleep on June 11, 2019. Born in Ogden, Utah on May 25, 1963 to William Joseph and Afton Nasfell Robertson. He grew up in Roy, Utah and graduated from Roy High School in 1981.

He is survived by his sons Jacob David (Rachael) and Colton Wyatt Robertson; grandkids Graycie, Robert, Tayven, and J.J.; siblings Janet, Bill (Diane), and Pat (Val). David is preceded in death by his parents and sister Diane.

David's favorite things to do were reading books, hunting, fishing, camping and anything to do with the outdoors. Once his boys were old enough, they would tag along on the adventure and that is just what they were...adventures. He loved his boys and all of his grandkids. He enjoyed coaching and teaching kids and helping them learn and grow in all of his passions. His boys and grandkids knew how much he loved them even when they did not always get along. David was a true sports fanatic cheering for his favorite teams or athletes from whatever sport was on.

He was a wild, crazy, funny, and serious, all while kidding, kind of guy. Not very many people understood him and he was okay with that because he was. No matter what anyone thought, he was not about to change.

He will be loved and missed, but never forgotten.

A celebration of David's life will be held at 2:00 pm, Saturday, June 22, 2019 at Premier Funeral Services, 5335 South 1950 West, Roy, Utah.

Comments

“ David Andrew Robertson was my very best friend. Dave and I met on February 20 2013 and maintained a very close friendship for 6 years. We would text and talk on phone long distance from Utah to Scottsdale Az. I have traveled to many locations in the world. My favorite was when I visited Dave in Utah for 2 weeks. Dave was an incredible man and friend who I will never forget. He was tough, strong, smart and caring. He loved his sons and grand children beyond belief. Dave changed my life forever and I am grateful and blessed with his eternal friendship. I will miss him. Warren Lee Kibbit Scottsdale Az. God bless Dave's family
