“ I enjoyed knowing Dody. She and I were visiting teacher partners for several years and it was a good experience to serve with her. Her dedication and gospel knowledge was admirable. I loved her forthrightness and her quirky sense of humor. I am happy to have known her. I, like Linda said at the funeral, am happy she is free to run now.

“ I have fond memories of my cousin Dody. Visiting the family in Gooding, or having them come to Hailey was always a highlight for me. I haven't seen Dody for several years, but my memories of her will be with me always.
