“ Had no idea Denny B passed. I was just trying to call and say ‘hi.’

I worked for several years with Dennis at Salt Lake County and really enjoyed him both as a co-worker and friend. He was an honorable man and I know he's missed. Peace, Denny B.

“ My deepest condolences to you Holly & Shelley.  
I know how difficult this is for you. Denny was an inspiration to you both. A  
Patriarch that can never be replaced, on Earth or in your hearts. I am praying and  
sending you Love. 💕💕 I will be here for you until it's my turn. Let me know if  
there's ever anything I can do for either of you. I Love You Both Dearly! 💕💕

“ My heart, thoughts, & prayers are with the Beitler family.  
This past week I have had a heavy heart.. Bro Beitler truly  
affected my life & made a big impression on me personally  
as well as so many other young men & scouts. He was an  
amazing Scoutmaster & enjoyed alot of high adventure. He  
was a great mentor & never baby sat me or coddled me but  
let all of us learn & grow from our mistakes, etc. Hugs go out to Bro Beitler & the  
Beitler family!

“ Denny was the best neighbor anyone could imagine to live next to you. We were  
very fortunate to have that distinction over a decade ago. Anything that was not  
working right he was always there next to me figuring out how we could get it  
done. This lead to a wonderful friendship that continued well after we moved  
away. He was a man of service and gave me a great example of what being a  
Christian was all about. I loved the man like a brother and will cherish the time we  
got to spend with him. We were very fortunate to have met him and may he Rest  
In Peace. I'm very happy that he is now with his beloved Pammy. They were quite  
the team. Thank you for your service to all you crossed paths with to make this a  
better world. Love you my brother!

“ So like many that will post memories about Denny, mine is of his love and sacrifice to those around him! As a 14 year old boy, he took me under his wing and allowed me to learn the gospel through fun and non threatening (boring) lessons. He was there to be a coach, instructor and just someone to laugh with. He has forever changed who I am and what I've accomplished in my life. Thank you for being the leader and friend to so many young men! May God bless your family and those you've influenced
